Adam & Eve Yamar RIPAULT, The message we are going to convey here is La ilaha illallah If your life priorities had not already been established you would have sought to deepen your knowledge of the meaning of this sentence but also of belief this force of conviction which moreover encouraged us sometimes with insistence to cross the threshold of hesitation in order to plunge ourselves into the arduous and often thankless task of self education of raising moral and intellectual values A book which makes us discover the Koran in the text and which puts its message in relation with all major disciplines throughout history We realize thanks to the meticulous and rigorous demonstration of the author that nothing is the result of chance that everything was and is written The systematic illustration of the author s theories with quotes from the reference book testifies to an ontological as well as a rhetorical approach a colossal work made quite accessible by a simple and chosen language

New Realities of the Twenty-first Century, Part 1 Prophet Wildman, 2017-02-07 New Realities of the Twenty first Century Part 1 by Prophet Wildman The psychic parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses After enjoying the gift of psychic future predictive awareness for more than fifty years Prophet Wildman had a deep understanding of the psychic and parapsychic experience However it

wasn't until 2008 when he began receiving Holy subject Tribulation awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity. Prophet Wildman wows his readers with first hand experiences both from the perspective of being Christian and of being a psychic medium while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy. Wildman's deeply personal experiences along with factual statements and others first hand experiences provide the reader with a comprehensive read that will strengthen one's faith in Christ and Christianity while opening up rarely explored doors to the supernatural psychic and parapsychic worlds. Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires, UFOs and government cover ups. An open mind and a strong religious conviction are all that's needed to begin searching and discovering some of the biggest mysteries of our time. **The Whole Works of the**
