Hebrew Letter Tracing and Coloring Book for Kids Alphabets Second Teacher,2021-04-09 Dear Parents The Hebrew alphabet known variously by scholars as the Ktav Ashuri Jewish script square script and block script is an abjad script used in the writing of the Hebrew language and other Jewish languages most notably Yiddish Judeo Spanish Judeo Arabic and Judeo Persian The Hebrew alphabet has 22 letters It does not have case Five letters have different forms when used at the end of a word Hebrew is written from right to left Originally the alphabet was an abjad consisting only of consonants but is now considered an impure abjad The Arabic and Hebrew alphabets have similarities because they are both derived from the Aramaic alphabet The language is a basic characteristic

which constitutes one's own representation of who you are. Children and Parents may feel that using English as a common language it won't matter whether they learn Hebrew or not. It happens that your child might just stop speaking Hebrew leading to identity change. Since a child's Hebrew language skills are lacking they will not be able to interact well in Hebrew as they do in English. How can parents support their child's learning process? Here the solution is: This book enables your kids to practice and learn letters/words in an interesting way. Content of the book: For each alphabet letter there will be a page. 1st page has an outline of a letter with the image that starts with that letter name in Hebrew/English with the phonics of Hebrew name and image. The children can color the letter and images that are allocated for each letter. 2nd page is for next alphabet. This book has similar setup for all the alphabets till page number 24. Pages 25-30 contains all alphabets in single pages with space for practice. 31-50 is having box spaces to practice Hebrew alphabet further. That looks like a great start, right? Hope your kids will learn something useful in the meantime. Let us gift meaningful book as a gift to our kids. If you loved the book we request you to take a moment to review it. It helps in further progression for our future works. Thanks for your support. Team SECOND TEACHER™
