*Reconfiguring Thomistic Christology* Matthew Levering, 2023-03-30 In this book Matthew Levering unites eschatologically charged biblical Christology with metaphysical and dogmatic Thomistic Christology by highlighting the typological Christologies shared by Scripture the Church Fathers and Aquinas Like the Church Fathers Aquinas often reflected upon Jesus in typological terms especially in his biblical commentaries just as the New Testament does Showing the connections between New Testament Patristic and Aquinas own typological portraits of Jesus Levering reveals how the eschatological Jesus of biblical scholarship can be integrated with Thomistic Christology His study produces a fully contemporary Thomistic Christology that unites ressourcement and Thomistic modes of theological inquiry thereby bridging two schools of contemporary theology that too often are imagined as rivals Levering's book reflects and augments the current resurgence of Thomistic Christology as an ecumenical project of relevance to all Christians

**Jesus and Scripture** Thomas J. Parker, 2024-02-29 For the New Testament writers the Old Testament scriptures and the teachings of Jesus were key sources of authority and influence When these influences are considered alongside each other each can illuminate the other deepening the New Testament writers presentation of Jesus and our understanding of their interpretations In *Jesus and Scripture* Tom Parker examines the way in which Hebrews James and 1 and 2 Peter deal with these two different sources of authority how they relate to each other and what shifts have occurred historically and theologically within the writing of these texts Treating the four epistles methodologically Parker examines the particular ways in which each writer draws on

the Hebrew scriptures Ultimately he argues convincingly that the nascent Jesus tradition particularly via oral routes influenced the way the Old Testament was processed by these various New Testament writers

**Through the Bible** Zac Poonen, 2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen's personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God's Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3:16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God's heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God's Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don't understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God's purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3:16-17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God's Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God's Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word

**Following Jesus Christ** John K. Goodrich, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary
