Prophecy of the Heir J. C. Lamont,2012-05-21 Promotional Excerpt *Heir of Fire and Ice* Marlijn van der Zand, The ancient stones of Castle Thornwick groaned under the weight of winter s endless grip their surfaces slick with ice that never melted Princess Lyrarei pressed her palm against the frost covered window of her tower chamber watching her breath form crystalline patterns in the frigid air Below the courtyard lay buried beneath snow that had fallen for three consecutive years without pause transforming her once vibrant kingdom into a wasteland of perpetual winter The curse grows stronger she whispered to herself her voice barely audible above the howling wind that rattled the ancient casements The ice beneath her touch began to spread creeping across the glass in delicate deadly fractals She jerked her hand away clenching her fists as the familiar shame washed over her Twenty one years had passed since the day of her birth when the court s most trusted seer had delivered a prophecy that would forever alter the fate of Aethermoor The old woman s words still echoed through the halls like a haunting refrain Born of winter s heart shall she be with power to freeze the very sea But fire s heir shall be her bane unless true love breaks winter s chain Lyrarei s father King Aldric had initially dismissed the prophecy as the ramblings of an aging mystic But as his daughter grew so did the unnatural cold that seemed to follow in her wake Flowers withered at her touch water froze in her presence and gradually the entire kingdom began to succumb to an endless winter that defied all natural law A sharp knock interrupted her brooding Your Highness came the familiar voice of Meredith her lady in waiting Your father requests your presence in the great hall There are visitors *Kingdom of Heirs*

On Wisdom Nicholas J. Pappas ,2017 *Imagining Time in the English Chronicle Play* Marissa Nicosia,2023-09-15

Imagining Time in the English Chronicle Play Historical Futures 1590 1660 argues that dramatic narratives about monarchy and succession codified speculative futures in the early modern English cultural imaginary This book considers chronicle plays plays written for the public stage and play pamphlets composed when the playhouses were closed during the civil wars in order to examine the formal and material ways that playwrights imagined futures in dramatic works that were purportedly about the past Through close readings of William Shakespeare's 1 2 Henry IV Richard III Shakespeare's and John Fletcher's All is True Samuel Rowley's When You See Me You Know Me John Ford's Perkin Warbeck and the anonymous play pamphlets The Leveller's Levelled 1 2 Craftie Cromwell Charles I and Cromwell's Conspiracy the volume shows that imaginative treatments of history in plays that are usually associated with the past also had purchase on the future While plays about the nation's past retell history these plays are not restricted by their subject matter to merely document what happened Playwrights projected possible futures in their accounts of verifiable historical events

Who are the Heirs of the Abrahamic Covenant? John P. Davis,2022-01-13 Evangelicals debate the answer to the question Who are the heirs of the Abrahamic covenant This book offers a brief summary of the major evangelical approaches to the covenant an exegesis of the covenant and a discussion on some of the hermeneutical issues related to the interpretation of the covenant In this book the Abrahamic covenant is viewed as God's answer to the failures of Gen 1 11 In those chapters the seed of mankind became corrupted through the fall the land was cursed with a consequent loss of man's dominion over it and the divine human relationship was ruptured The Abrahamic covenant restores to all of believing mankind regardless of ethnicity the promise of seed land and divine human relationship

Prophecy in Perspective Dr. Gerald L. Woodruff,2019-06-29 This work is intended to give the reader a grand view of prophecy as it appears in the Bible To understand the future we can use history as a guide as God reveals His plan not only to Israel but to the believer today The perspective comes from understanding that it is a Person being revealed in the backdrop of events We will see the events but it is meaningless to us if

we do not understand the Person being revealed and that of course is Jesus Christ We can note that Christ was promised as coming to the Old Testament World and then it is promised that He will be coming again to establish His Kingdom The Kingdom of course was offered and then will be established We have prophecy as not only a guide to what has happened it is a guide to what will happen The believer then can understand the glory that is to be revealed and our part in it Sir Walter Scott's Minstrelsy of the Scottish Border Walter Scott,1902 *Minstrelsy of the Scottish Border* Sir Walter Scott,1902
