No Ego Cy Wakeman, 2017-09-19 The New York Times bestselling author of Reality Based Leadership rejects the current fad of engaging employees and the emotional drama of meeting their needs returning leadership to leaders and productivity to businesses For years now leaders in almost every industry have accepted two completely false assumptions that change is hard and that engagement drives results Those beliefs have inspired expensive attempts to shield employees from change involve them in high level decision making and keep them happy with endless satisfaction surveys and workplace perks But what these engagement programs actually do Cy Wakeman says is inflate expectations and sow unhappiness leaving employees unprepared to adapt to even minor changes necessary to the organization s survival Rather than driving performance and creating efficiencies these programs fuel entitlement and drama costing millions in time and profit It is high time to reinvent leadership thinking Stop worrying about your employees happiness and start worrying about their accountability Cy Wakeman teaches you how to hire emotionally inexpensive people solicit only the opinions you need and promote self awareness in your whole team No Ego disposes with unproven HR maxims and instead offers a complete plan to turn your office from a den of discontent to a happy productive place
