*Maiden Voyage: A Titanic Story* Sarah Jane, 2018-07-31 A story of secrets sisterhood and adventure aboard the Titanic Isabella is shocked when her parents book her passage on the incredible Titanic and inform her that she ll be sailing by herself She is given an envelope and told the contents will explain everything but she is forbidden from opening it until the boat reaches the U S Lucille is worried over her mother s poor health and her father is always distracted never around Left to her own devices Lucille discovers some dangerous secrets that could tear her family apart Abby is desperate She s all her little brother has in the world and her only hope is start a new life in New York But the only way to do that is to smuggle her little brother aboard the Titanic and hope they can last the week without him getting caught Three girls three different classes on the ship yet their pasts and futures are more intertwined than they know and their lives are about to be forever changed over the course of the Titanic s maiden voyage That is if they don t all drown in secrets first [Titanic](#) John Lang, 2023-06-14 By far the most thorough and well written investigative book on RMS Titanic s short life and tragic sinking that this reviewer has read fascinating Choice Reviews The sinking of the Titanic on her maiden voyage in April 1912 was one of the defining moments of the twentieth century Books and films about the disaster that befell the iconic liner are commonplace and it seems almost inconceivable that anything fresh can emerge But there is one angle that has not been covered and Titanic examines the events of April 1912 from that completely new perspective John Lang brings the standards of a twenty first century accident investigation to bear on the events of April 1912 using his expertise and his investigator s instinct to determine exactly what happened a century ago and what important lessons still need to be learned A fascinating account this book looks at the facts from a new perspective and uncovers some unexpected findings A worthwhile read Royal Naval Sailing Association Provides genuine insight into what almost certainly happened before during and after the ice sliced through the five compartments on the liner s starboard bow Viewpoint Lang with his experience of marine accident investigation has found an angle in examining events of April 1912 from the perspective of an MAIB officer His analysis is supported by detailed background material enabling the reader to understand the events of the collision and sinking more fully as he brings the standards of a 21st century investigation to bear on the events in determining exactly what happened and why Flash *Her Maiden Voyage* Rachel Maldonado, 2015-02-25 Marie Antoinette Michaels wanting to escape her unhappy life purchases a ticket for the R M S Titanic to set sail to America On board the ship she meets the young beautiful Evelyn Chambers The two young women quickly form a friendship and a bond like none they had ever known before Will their new found friendship bring them closer together or tear them apart Will Antoinette and Evelyn meet the same fate as the Titanic Share in their experiences as they explore the most luxurious ship liner ever built Follow their every moment on board Her Maiden Voyage **Maiden Voyage** Tania Aebi, 2012-11-06 What begins as the sheer desire for adventure turns into a spiritual quest as a young woman comes to terms with her family her dreams and her first love Tania Aebi was an

unambitious eighteen year old a bicycle messenger in New York City by day a Lower East Side barfly at night In short she was going nowhere until her father offered her a challenge Tania could choose either a college education or a twenty six foot sloop The only catch was that if she chose the sailboat she d have to sail around the world alone She chose the boat and for the next two and a half years and 27 000 miles it was her home With only her cat as companion she discovered the wondrous beauties of the Great Barrier Reef and the death dealing horrors of the Red Sea She suffered through a terrifying collision with a tanker in the Mediterranean and a lightning storm off the coast of Gibraltar And ultimately what began with the sheer desire for adventure turned into a spiritual quest as Tania came to terms with her troubled family life fell in love for the first time and most of all confronted her own needs desires dreams and goals **Titanic and Liverpool** Alan Scarth,2009-01-01

If you had been behind the Titanic on that fateful night in 1912 the last word that flashed before your eyes as the great ship was lost to the sea would have been Liverpool The ship s loss a national and international tragedy was also a tragedy for its home port and this fascinating book explores the history and myths surrounding the sinking highlighting for the first time new and extraordinary stories that link Europe s pre eminent port and its most famous maritime loss Using material from the White Star line archives the extensive holdings of the Merseyside Maritime Museum new illustrations and a variety of historical sources Scarth unearths the full back story of key characters and companies many of her key officers and crew were either from Liverpool or had strong links with the port the ship s owners were based in the City many of the most colourful tales emerging from the disaster relate to Liverpool people and here where appropriate we find out what happened to them after the sinking Titanic and Liverpool will be compulsory reading for anyone interested in the Titanic and also for anyone hoping to understand Liverpool s role as the great processing port of Europe and gateway to the US and Canada
