

The door closed with a sickening thud of finality, shutting my friends out and leaving me alone with my enemy, a fallen angel, and the monstrous bird creature his ancient lust had created. Then I did something I'd only done twice before in my entire life. I fainted.

It's all happening, though Zoey Redbird wishes it wasn't. She has her friends back, which is great. But a dark angel has taken over the House of Night, supported by High Priestess Neferet. Not so great. This leaves Zoey hiding out with the (supposedly friendly) red fledglings in Tulsa's prohibition era tunnels.

The not greatness continues.

Naturally, Zoey also has boy issues to stress her out, with a chance to make up with super-hot-ex Eric. But thoughts of the archer that died, semi-permanently, in her arms keep distracting her. Then he shows up as Neferet's newest minion. Well, hell. Zoey and friends will need a plan to put things right, and soon, if she can just keep her head and her heart intact.

Tales from the Haunted South Tiya Miles, 2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us

The Dick Van Dyke Show Ginny Weissman, Coyne Steven Sanders, 2014-11-11 In the history of television there are very few shows that can truly be called classics The Dick Van Dyke Show is one of those few and for the first time authors Weissman and Sanders have succeed in capturing the unique flavor of this very appealing warm comedy that went straight to the heart of the American public An affectionate and nostalgic portrait of a show more than twenty years old that is still in reruns The Dick Van Dyke Show tells the inside story of the situational comedy whose phenomenal success was a surprise even to its creators Tracing its evolution from the pilot Head of the Family starring Carl Reiner through the ordeal of finding the right actor to play the clumsy but talented TV writer Rob Petrie gathering the supporting cast that included Rose Marie and Morey Amsterdam whose presence added a sharp edged

Koven,2008 From Alien to When a Stranger Calls

many films are based on folklore or employ an urban legend element to propel the narrative But once those traditional aspects have been identified do they warrant further scrutiny Indeed why is the study of folklore in popular film important In Films Folklore and Urban Legends Mikel J Koven addresses this issue by exploring the convergence of folklore with popular cinema studies Well beyond the identification of traditional motifs in popular cinema Koven reveals new paradigms of filmic analysis which open up when one looks at movies through the lens of folklore In particular this book focuses on the study of urban legends and how these narratives are used as inspiration for a number of films Divided into five sections the book begins with a general survey of the existing literature on folklore film predominantly from the perspective of folklore studies Subsequent chapters address discourses of belief how urban legends provide the organizing principle of some films and how certain films act out or perform a legend Movies discussed in this book include Alligator Candyman The Curve Dead Man on Campus I Know What You Did Last Summer Urban Legend Weekend at Bernie s and The Wicker Man as well as zombie films killer bee movies and slasher films including Halloween Black Christmas The Burning and Terror Train Koven also devotes

attention to key television shows such as *The X Files* and *Most Haunted*. In his analysis Koven explains not only how film and television narratives are built upon already existing popular culture beliefs but also how films and television shows recycle those beliefs back into popular culture. Taken as a whole *Film Folklore and Urban Legends* both stands on its own as the first book length study of folklore and popular cinema and as an introductory textbook for the study of folklore and film.

You're Only Young Twice Timothy Morris, 2000 Original and thought provoking *You're Only Young Twice* reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots. Moving from classic texts *The Secret Garden* *Goodnight Moon* to ephemera the Hardy Boys *Goosebumps* and *Harry Potter* series from the printed page to the silver screen *Willie Wonka* *Jumanji* *101 Dalmatians* *Beethoven* Tim Morris employs his experience as a parent and teacher to interrogate children's culture and reveal its conflicting messages. Books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons. Instead they reflect the anxieties of the times and the desires of adults. At the heart of many a children's classic lies power often expressed through racism sexism or violence. Under Morris's gaze revered animal stories like *Black Beauty* turn into litanies of abuse fantasies of childhood like *Big* are revealed as patriarchal struggles. *You're Only Young Twice* redirects the focus on children's literature asking not What messages should children receive but What messages do adults actually send. For example Morris recounts his own childhood confusion upon viewing *Peter Pan* with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a crowing boy. Morris shatters our long held assumptions and challenges our best intentions demonstrating how children's literature and films lay bare a troubled and troubling worldview.

Ghost Hunters of the South Alan Brown, 2009-09-18 Southerners are accustomed to hearing stories of a residence an old hotel a mansion or a battlefield being haunted. In *Ghost Hunters of the South* Alan Brown shows that ghostlore is no longer enough for some. The forty four ghost hunting groups he profiles in this book pack cameras Geiger counters thermal scanners oscilloscopes tape recorders computers and dowsing rods to find and record elusive proof of supernatural activity. With candor the directors and team members reveal the passions and even obsessions that lead them to this expensive time consuming and sometimes dangerous and chilling pursuit of evidence of the spirit realm. Brown interviews enthusiasts from twelve states Alabama Arkansas Florida Georgia Kentucky Louisiana Mississippi North Carolina South Carolina Tennessee Texas and Virginia. *Ghost Hunters of the South* takes the reader along on exciting and fearful investigations of places such as the Myrtles St Francis Inn Chickamauga Battlefield Bob Mackey's Music World Old Talbott Tavern North Carolina State Capitol Granberry Opera

House and 17Hundred90 Inn and Restaurant Brown participates in some of the investigations to gain a full and objective understanding of teachers doctors accountants housewives and law enforcement personnel who devote much of their free time to a quest that many outsiders view with skepticism if not scorn In fascinating frightening and sometimes humorous accounts Brown highlights the determination of these individuals to answer the question What happens to the soul after death
