THE MORAL SIGNIFICANCE
OF IGNORANCE

Living With Uncertainty The Moral Significance Of Ignorance

Sanford C. Goldberg

Living With Uncertainty The Moral Significance Of Ignorance:

Living with Uncertainty Michael J. Zimmerman, 2010-06-10 Every choice we make is set against a background of massive ignorance about our past our future our circumstances and ourselves Philosophers are divided on the moral significance of such ignorance Some say that it has a direct impact on how we ought to behave the question of what our moral obligations are others deny this claiming that it only affects how we ought to be judged in light of the behaviour in which we choose to engage the question of what responsibility we bear for our choices Michael Zimmerman claims that our ignorance has an important bearing on both questions and offers an account of moral obligation and moral responsibility that is sharply at odds with the prevailing wisdom His book will be of interest to a wide range of readers in ethics **Transportation**

Professionals and Research in Canada ,1985 *Living with Uncertainty* Michael J. Zimmerman, 2014-05-14 A novel account of the relevance of ignorance to both moral obligation and moral responsibility *The ^AOxford Handbook of Assertion* Sanford C. Goldberg, 2020-03-02 The Oxford Handbook of Assertion explores philosophical themes pertaining to the speech act of assertion the nature of assertion assertion s place among the speech acts empirical issues in theories of assertion assertion s role in semantics and metasemantics the place of assertion in the epistemology of testimony and the social and ethical dimensions of assertion *The Oxford Handbook of Moral Responsibility* Dana Kay Nelkin, Derk Pereboom, 2022 Presents an interdisciplinary view of moral responsibility that includes up to date research in neuroscience psychology and physics Bring together a team of leading scholars in diverse areas to explore the nature of moral responsibility Offers a comprehensive account of one of the most widely studied topics in ethics and moral philosophy Book jacket **Oxford Studies in Agency and Responsibility** David Shoemaker, Neal A. Tognazzini, D. Justin Coates, 2019 Oxford Studies in Agency and Responsibility is a forum for outstanding new work in an area of vigorous and broad ranging debate in philosophy and beyond What is involved in human action Can philosophy and science illuminate debate about free will How should we answer questions about responsibility for action *Oxford Studies in Normative Ethics Volume 13* Mark Timmons, 2024-02-16 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical theory Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions from analysis of competing approaches to normative ethics including moral realism constructivism and expressivism to questions of how we should act and live well OSNE is an essential resource for scholars and students working in moral philosophy

Oxford Studies in Agency and Responsibility ,2025-02-27 Oxford Studies in Agency and Responsibility is a series of volumes presenting outstanding new work on a set of connected themes investigating such questions as What does it mean to be an agent What is the nature of moral responsibility Of criminal responsibility What is the relation between moral and criminal responsibility if any What is the relation between responsibility and the metaphysical issues of determinism and free will What do various psychological disorders tell us about agency and responsibility How do moral agents develop How does

this developmental story bear on questions about the nature of moral judgment and responsibility What do the results from neuroscience imply if anything for our questions about agency and responsibility OSAR thus straddles the areas of moral philosophy and philosophy of action but also draws from a diverse range of cross disciplinary sources including moral psychology psychology proper including experimental and developmental philosophy of psychology philosophy of law legal theory metaphysics neuroscience neuroethics political philosophy and more It is unified by its focus on who we are as deliberators and inter actors embodied practical agents negotiating sometimes unsuccessfully a world of moral and legal norms

Social Justice in Practice Juha Räikkä, 2014-07-08 In this book the practical dimension of social justice is explained using the analysis and discussion of a variety of well known topics These include the relation between theory and practice in normative political philosophy the issue of justice under uncertainty the question of whether we can and should unmask social injustices by means of conspiracy theories the issues of privacy and the right to privacy the issue of how certain psychological states may affect our moral obligations in particular the obligation to treat others fairly and finally the concepts of morality fairness and self deception The primary goal of the book is to provide readers with an updated discussion of some important and practical social justice issues These issues are presented from a new perspective based on the author's research It is hoped that bringing these topics together in a single book will promote the emergence of new insights and challenges for future research Juha Räikkä is a professor at the Department of Philosophy at the University of Turku Finland His research focuses on ethics and political philosophy

Commonsense Consequentialism Douglas W. Portmore, 2011-11-02 This is a book about morality rationality and the interconnections between the two In it Portmore defends a version of consequentialism that both comports with our commonsense moral intuitions and shares with consequentialist theories the same compelling teleological conception of practical reasons

Right here, we have countless book **Living With Uncertainty The Moral Significance Of Ignorance** and collections to check out. We additionally provide variant types and plus type of the books to browse.
