The Used Men's Bicycle Club and Other Stories from the End of the World PH Court,2023-07-07 What happens when the world stops turning As half the world is trapped in constant light and half the world remains in constant night ordinary people must find ways to continue their simple yet extraordinary lives From Zucchini growers in the Sierra Madre to the barman aboard a diurnal cruise ship from the witch beneath the Amazon bridge to the divorced men who still cycle despite the crumbling world the stories range across the world and explore the magic that remains amongst the everyday even where there is no day **The Secret of the Old Warehouse, And Other Stories** Imelda Rose Kaufman,2023-02-09 Jacob Malloy was a strong energetic lad of thirteen who lived with his family in the small suburb of Baytown His life was far from boring because school and church always provided plenty of activities However being of an inquisitive nature Jake was ever ready for something new and different He was intrigued by an old abandoned warehouse near the railroad tracks What it had been used for originally he had no idea but he was itching to get inside and look around Surely there must be something of interest in that old building Any chance of his being able to satisfy his curiosity however seemed nonexistent because the windows were boarded up Imagine his surprise when one Saturday on his way to his friend s house he noticed that one of the boards had come loose and was hanging by a nail This was an opportunity not to be missed He convinced his friend a rather reluctant Joe Reilly to accompany him on this adventure Together they managed to open the window and squeeze through it The boys found that though seemingly abandoned the building was not vacant Their adventure turned deadly when they were discovered and imprisoned The story shifts back and forth from them to their frantic parents and friends and the efforts made to find them There is a story within the story as friends Robert and Jonathan and their parents have an adventure of their own and make a life changing discovery *Barlow and Other Stories* Robert Willis,2016-05-31 Barlow Jimson was mean

Panhandle Tom Hunt, 2013-03 *Bad Water and Other Stories of the Alaskan Panhandle* is a book of short stories set in
southeast Alaska on an archipelago about the size of Florida There are not many people and most of them live in a few small
scattered towns Some live in the more remote areas of the thousands of miles of coastline and hundreds of backwater bays
and coves making a living at whatever is available Alaska is a place where geography and weather dictate human behavior
and that could mean eating the same dried beans rice deer meat and fish for a good part of the year With no freeways and
little law enforcement a 911 call means contacting the Coast Guard people must learn to be self sufficient especially in times
of emergencies Sometimes people make their own solutions to solve problems If a solution doesn't work and you're still alive
it's time to try another The folks that live in this remote part of Alaska do whatever it takes to make it work There's a
freedom that can't be had in civilization but the price is high These are their stories
