The Threads of Life Donato DiCristino, 2010-09-18

Have you ever felt lost? Have you ever felt confused? Have you ever felt angry? Have you ever felt used? I am sure that you have. Do you think of fate? Do you think of love? Do you dream of a break? Do you wonder what's above? I am sure that you do. I could probably go on listing countless things that we, as human beings, either think, feel, and/or act upon. I call these things threads. Each one of us is a spool of thread, and with each encounter, journey, burden, etc., a piece of our thread unravels. Some of us may have enough thread to last for generations; some only for a short while, but we are all connected. When we're all sewn together, we create a beautiful tapestry which encompasses a wide variety of story. The Threads of Life is my story. Take my hand and place yourself inside the story. Take from it all that I have given, and know that no matter how dark and difficult
