as Legitimising Forces? Brian Rappert,2004-11-23 As mankind finds ever more impious ways to kill and maim some look to non lethal weapons as a fix Brian Rappert discusses the technologies involved and the ethics of for example blinding someone with a laser leaving them blind forever versus killing them outright     Adult Catalog: Subjects Los Angeles County Public Library,1970     **Resources in Education** ,1980     Annual Report to the President and the Congress on Activities Under the Law Enforcement Assistance Act of 1965 United States. Department of Justice,1967     *LEAA Grants and Contracts* United States. Office of Law Enforcement Assistance,     *The Convention on International Trade of Endangered Species* Jonathan Liljeblad,2014-01-14 Debates over U S government policy frequently follow a philosophy of devolution in authority from federal government to local government This concept opens the possibility of greater local involvement in national policy implementation and provides international treaties an opportunity to advance global policy by incorporating the efforts of local actors into their implementation framework Much of international policy involves enforcement through international to national linkages forming an implementation chain but devolution offers the potential to extend the implementation chain by providing national to local linkages This book explores the nature of such linkages taking as a case study the Convention on the International Trade in Endangered Species CITES via its domestic analog in the U S the Endangered Species Act ESA The analysis employs both quantitative and qualitative methods including interviews surveys statistical analysis and document review The author concludes that while the framework of CITES enforcement in the U S allows for national to local extension of the CITES implementation chain it also presents challenges that should be addressed by international policymakers who consider devolution as a way of assisting global policy The book includes a Foreword by Scott A Frisch a professor of political science and chair of the department at California State University Channel Islands Frisch notes that in this book Jonathan Liljeblad offers an enlightening and long overdue look at the issue of local implementation of international policy Liljeblad is able to arrive at insightful conclusions as well as concrete recommendations for policymakers wishing to improve coordination and execution of international policies that rely on local governments for their implementation He concludes Liljeblad s recommendations would foster a climate of greater understanding of the connections between international and domestic policy and should be heeded by all levels of government to remove unnecessary roadblocks that can derail implementation A new study in the international protection of animal and plant species presented by Quid Pro Books     *Federal Role in Urban Affairs* United States. Massey,1975     Lost Classroom, Lost Community Margaret F. Brinig,Nicole Stelle Garnett,2014-04-11 In the past two decades in the United States more than 1 600 Catholic elementary and secondary schools have closed and more than 4 500 charter schools public schools that are often privately operated and freed from certain regulations have opened many in urban areas With a particular emphasis on Catholic school closures *Lost Classroom Lost Community* examines the

implications of these dramatic shifts in the urban educational landscape More than just educational institutions Catholic schools promote the development of social capital the social networks and mutual trust that form the foundation of safe and cohesive communities Drawing on data from the Project on Human Development in Chicago Neighborhoods and crime reports collected at the police beat or census tract level in Chicago Philadelphia and Los Angeles Margaret F Brinig and Nicole Stelle Garnett demonstrate that the loss of Catholic schools triggers disorder crime and an overall decline in community cohesiveness and suggest that new charter schools fail to fill the gaps left behind This book shows that the closing of Catholic schools harms the very communities they were created to bring together and serve and it will have vital implications for both education and policing policy debates Hearings, Reports and Prints of the Senate Committee on Government Operations United States. Congress. Senate. Committee on Government Operations,1966 *The Complexities of Police Corruption* Marilyn Corsianos,2012-08-31 The Complexities of Police Corruption provides a comprehensive examination of the role of gender as it relates to police corruption crime control and policing as an institution Author Marilyn Corsianos examines different forms of corruption including some behaviors that are generally not recognized as corruption by police departments such as selective law enforcement racial profiling gender bias and other discriminatory police practices against marginalized populations The book also explores the role of police culture in preserving and defending misconduct and digs into the thorny question of why significantly fewer women are involved in police corruption Throughout the book excerpts from interviews with 32 former police officers illustrate the complex ways that gender construction is connected to police corruption and shows how policing as an institution creates corruption risks The Complexities of Police Corruption is a challenging and insightful book about the intersections between gender and corruption
