Lotsa Laughs Funny Side Of Everything English Edition:

Lotsa Laughs Ben Sheldon, 2014-09-18 LOTSA LAUGHS is a book of jokes and hilarious observations which Ben Sheldon had recorded in his note books over several years. It's a very funny collection of mostly one or two liners. Each one of them was original or independently conceived at the time of recording and dating in the author's note books. References to real known personalities are not necessarily true but is done in parody within protected free speech on satire. There are seven sections to the book labeled Chapters in the Index. Each chapter is aimed at the reader who would enjoy predominantly that kind of humor. For instance, one may laugh at the unique observations in politics but pass on to another friend or family member some funny aspects of different faiths or innocent lighthearted takeoffs on ethnicity. A prudish reader may want to save the chapter on bedroom humor for an unblushing neighbor. In any case, said bedroom chapter is written in good taste with no pornography. The eclectic broad minded reader will of course enjoy all the levels of humor in this unique joke book. Lotsa Laughs. For those who love the creative use of words in different unexpected contexts, there is a chapter on Tongue Twisters. Another chapter is about Fun with Words. All the humor in Lotsa Laughs is innocent and harmless fun at ourselves and our social, political, and religious mores. It is meant to laugh WITH and NOT AT the subjects of humor. Lotsa Laughs would also make a good reference book for speakers seeking an attention getting funny opening remark for their speech. A future Henny Youngman may find the one liners in Lotsa Laughs a good fit for their training manual. LOTSA TAILS, LOTSA TALES Bonnie Pandya, 2024-02-29. Astronaut Sunita Williams is up in space for six months living on the International Space Station. Although he misses her sometimes, Gorby, her Jack Russell Terrier, is having the time of his life with his circle of friends. Find out about Gorby's adventures with all sorts of Tail Coal. Elsie Thomas, Magnolia, Gunner, Sadie, Louie, Scuppers, and Brandy Girl as they scheme together in Beebe Woods, Siders Pond, Davisville, and parks all around Falmouth. With all these TAILS in cahoots, it's no wonder there are so many TALES to be told. All the while, Suni watches over her little buddy from above, laughing as he and his pals stumble into one adventure after another. **Make 'Em Laugh** Steve Allen, 2013-05-24. The success of Steve Allen's How To Be Funny led first to the republication of that book and now occasioned a companion volume. Make Em Laugh. This new how to book about the art of comedy includes an even richer assortment of examples of the author's unique humor. In Make Em Laugh, Allen laces his formal instruction with hilarious ad libs, written jokes, TV comedy sketches, satires, song parodies, humorous essays, amusing autobiographical reminiscences, one act plays, witty speeches, and stand up monologues from his comedy concerts. Noel Coward called Steve Allen the most talented man in America, and he is probably the most borrowed from comedian of all time. The perceptive reader will recognize many of the comic ideas that Allen originated during the Golden Age of television comedy, ideas that are still influential in the 1990s. If there were a college course in creating and performing comedy, Make Em Laugh would be the ideal textbook. **New York Magazine**, 1985-07-15.
