

A person is seen from behind, sitting on a dark ledge and looking out over a city at sunset. The sky is a mix of orange, yellow, and light blue, with the sun low on the horizon. The city below is blurred, showing lights and buildings. The person is wearing a dark blue or black long-sleeved shirt. The overall mood is contemplative and serene.

Loyalty Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today's generation isn't buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world *Inexpressible* Michael Card, 2018-12-18 God's identity cannot be fully expressed in human words but Scripture uses one particular Hebrew word to describe God's character hesed Often translated as lovingkindness covenant faithfulness or steadfast love Michael Card unpacks the many dimensions of hesed exploring how it is used in the Old Testament to reveal God's character and how its fullness is ultimately embodied in the incarnation of Jesus

Our New World of Adult Bullies Bill Eddy, 2024-06-11 Our New World of Adult Bullies connects the dots to show how bullies at all levels of society follow the same predictable patterns of behavior Bullies exist everywhere families workplaces neighborhoods and communities politics and government and organizations of all types and sizes And in a media landscape where conflict crisis chaos and fear reign supreme every day we see the worst behavior of celebrities politicians and other public figures who serve as role models Winners and losers Friends and enemies Heroes and villains People with high conflict personalities think almost solely in these extremes They regularly express unmanaged emotions routinely blame others and do harmful things that 90% of people would never do Bullies share these characteristics plus a drive to dominate or destroy their victims But all bullies act in the same highly predictable patterns regardless of their

demographics and situation By focusing on the ten hidden powers bullies employ from their unrestrained nature and bully story to manipulating emotions and playing the victim Bill Eddy unpacks the way bullies rely on primitive emotions and nonverbal behavior He helps readers spot these behaviors and offers practical actions before they become immobilized by helplessness blame and shame In today s world we all may have an adult bully in our lives sooner or later For anyone who has a bully in their life now for professionals who counsel victims of bullying and for anyone who is concerned about the fraying of our culture and society this book gives effective strategies to prevent bullies from taking over Eddy s six step approach includes useful advice on how to Recognize the patterns of bully behavior Pull the plug on the bully s story Set limits with credible threats Impose serious consequences Communicate effectively about bullies to others Stand strong with others against bullies Our New World of Adult Bullies takes a closer look at the dangerous behavior of bullies and how to stop the behavior before it starts Surely There is a Future E. John Hamlin,1996 This is a print on demand book and is therefore non returnable Series International Theological Commentary The book of Ruth set in the period of the judges is a beautiful story of the love covenant loyalty and daring initiative of two impoverished widows Together with a generous open hearted man they demonstrate the truth of Proverbs 23 18 that applies to individuals families communities and nations Surely there is a future and your hope will not be cut off In this excellent commentary E John Hamlin approaches the book of Ruth as literature as history as part of the canon and as truth telling story **Random ReflectionsEssays On Psycho-socio Ethos** Bhanuvikraman Nair,2008-10 **Divine Violence and the Character of God** Claude F. Mariottini,2022-02-01 There is much violence in the Old Testament both human and divine Christians and non Christians react differently to what they read about the God of the Old Testament Some people are so affected by the violence found in the Old Testament that they give up on God stop going to church and reading the Bible and eventually lose their faith Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament A popular alternative in the twenty first century is to return to the second century and adopt some form of Marcionism and make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes Life in an Imperfect World Pasquale De Marco,2025-04-18 Life in an Imperfect World is a thought provoking exploration of the human experience a celebration of the imperfect journey we all share Through personal anecdotes thought provoking insights and practical advice this book delves into the challenges that life throws our way and discovers the strength resilience and wisdom that lie within us all In this book we explore the wounds of life the scars that remind us of past pain and adversity We examine the fragility of dreams the shattered hopes and
