John Shackelfree

Love Shoulda Been Enough:

The End of Heresy John Shacklefree, 2011-06-06 George Orwell's book *Nineteen Eighty Four* describes a fictional world in which the manipulation of human thought by the political system has become so pervasive that the people involved in the manipulation do not realize how indoctrinated they have become. Orwell describes doublethink as the power of holding two contradictory beliefs in one's mind simultaneously and accepting both of them. To tell deliberate lies while genuinely believing in them. Shacklefree's book *The End of Heresy* asks us to consider if doublethink is part of our thinking and whether we are complicit in the process of using reason to justify what we want to believe. Is there such a thing as self-evident truths and if so, what part can reason play in helping us to find it? These are the questions raised in Shacklefree's book and the evidence presented covers a large part of human history from the time of the ancient Greek philosophers up to the present and explores the areas of faith, science, and reason. Its pages document the abuse of reason throughout history not only by despots but also by scientists, clerics, and modern democratically elected leaders. The book explains how doublethink and newspeak are very much a part of modern democracies and asks us all to consider if we are part of the problem rather than the solution. The book is a call to the normal person to cast off the modern indoctrination branded as freedom and think critically about what our modern-day prophets are telling us.

SistahFaith, 2010-02-02 Ashamed No More Every woman needs a safe place to bleed, a quiet place to scream, and friends to dress her wounds. She needs the support of sistahs who won't cringe at the honest truth, who are willing to walk by her side, who will listen to her stories, and who will offer balm to heal her wounds. This collection of poignant true stories honestly reflects the humiliation that countless women experience every day at the hands of people who are supposed to love them. Drawing from the biblical story of Tamar, who was raped and disgraced by her own brother, spiritual truths of hope, healing, and new beginnings are highlighted in every story. Among the women who have shared their stories of truth and triumph are Bonnie DeBarge of the famed Motown group, the DeBarges, award-winning novelist Sharon Ewell Foster, and author Claudia Mair Burney. Most women endure in silence, afraid to tell the truth, held captive by their disgrace. But here, in these pages, they have told the truth, they have lifted their skirts to show their scars, and most important of all, they have found redemption, hope, and new life. Your Own SistahFaith Circle. In addition to sharing beautifully written stories and poems, this book shows you how to gather your own group of sistahs and each chapter includes discussion questions that will help your gathering of sistahs journey past the shame, beyond rejection, and straight to the heart of God.
