Loves Aim English Edition:

On Love Philip Sidney Woolf, 2020-08-14 Reproduction of the original On Love by Philip Sidney Woolf **The Philobiblion** , 1862 *The young ladies' first French book* René Aliva, 1854 On Love Stendhal, 2022-11-13 Stendhal's On Love is a profound exploration of the multifaceted nature of love merging philosophical inquiry with personal introspection. Written in a distinctive style that oscillates between lyrical prose and analytical commentary, the book draws on Stendhal's own experiences and observations positioning love as a complex interplay of emotions, desires, and societal influences. Rooted in the romantic literary context of the early 19th century, Stendhal employs a candid tone that dismantles the idealized notions of love, offering instead a more pragmatic understanding that encompasses both its ecstatic highs and painful lows. The author, born Henri Beyle, was a keen observer of the human condition, having experienced life across various cultures and social strata. His time in Italy, coupled with the tumult of the Napoleonic Wars, informed his perspectives on passion and emotion. Stendhal's intellectual pursuits, notably in psychology and philosophy, allowed him to dissect love with an analytical lens, bridging the gap between romantic idealism and reality. On Love is an essential read for anyone intrigued by the complexities of human relationships. Stendhal's insights not only resonate with the experiences of love across ages but also invite readers to reflect on their beliefs and encounters with this timeless emotion. **Belles-Lettres** Augustus Layres, 2022-02-15 Reprint of the original first published in 1867 *Famous love poems: the carmina of Catullus* Caius Valerius Catullus, 2014-05-20 The most famous of all love poetry, combining in the delights and the agonies of love in a lovely translation from the original, newly edited for modern readers by the classical scholar Ruth Finnegan. **Revelations of Divine Love** Julian (of Norwich), 2015 Julian of Norwich is one of the subtlest writers and profoundest thinkers of the Middle Ages and the earliest woman writer in English. Her *Revelations* describe a loving and merciful God and a positive vision of humanity. This sensitive new translation conveys the poise and serenity of her style and includes the two versions of her text.

Love as Passion Niklas Luhmann, 1998 Originally published Cambridge Mass Harvard University Press 1986 Love and Capital Mary Gabriel, 2011-09-14 Brilliantly researched and wonderfully written, *Love and Capital* reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death. Drawing upon previously unpublished material, acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage. Through it, we see Karl as never before: a devoted father and husband, a prankster who loved a party, a dreadful procrastinator, freeloader, and man of wild enthusiasms, one of which would almost destroy his marriage. Through years of desperate struggle, Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece *Capital*. An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century, *Love and Capital* is a surprising and magisterial account of romance and revolution and of one of the great love stories of all time. *The beaux strategem. Love and a bottle. The constant couple. The stage-coach* George Farquhar, 1736 **In Love**
