**Summary of Julie A. Fast & John D. Preston's Loving Someone With Bipolar Disorder** Everest Media,2022-03-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The partners of people with bipolar disorder are very similar You are the one who stays in the relationship instead of walking away You are the main caretaker When your partner is ill you take care of the house the finances and the children while having to hold your fear inside 2 The goal of this book is to help you find the right balance between understanding and helping your partner so that you are still able to pursue your own goals and dreams You will learn how to change what isn't working into something that does 3 holistic treatment for bipolar disorder focuses on medications but it is also known that many people with bipolar disorder can achieve stability once they have a treatment plan that helps them prevent the symptoms that characterize the disorder 4 Loving someone with bipolar disorder is not a diagnosis but it is important to understand that your partner has a mental illness that requires treatment It is important that your partner is evaluated by a mental health professional who specializes in treating severe mental illnesses
