Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences

required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic EVERLASTING GOSPEL Olumba Olumba

**Nourished by God in the Womb of Time** Kris Doulos,2010-06-24 God placed many parallels to the spiritual realm in the physical universe so the human brain could get some idea of the world that exists beyond the capacity of the human brain One such parallel is the development of a baby in a mothers womb Just as God took particles of the earth and made a body for the spirit he created a woman takes the particles of her body and makes a body for a spirit that will live in that body That body is developed inher womb and at birth that body becomes a womb for a human spirit The author calls this newborn body The Womb of Time because it is the place where a human spirit is developed in time in preparation for an existence in a new world called Eternity An embryo in a mothers womb is surrounded by chemicals that can prevent it from developing to a point capable of living in the world outside its womb In the same way a human spirit in the womb of its body is surrounded by knowledge the curse from Eden that can prevent it from developing to a point capable of being a spirit with lifewhen it enters eternity If a physical body is stillborn no matter how much it is loved it cannot exist with people who are alive A human spirit that is not alive when its body dies cannot exist with the living who reside in Heaven God is constantly trying to nourish people in their Womb of Time with the same Word of Life he used to create all things The human brain limited to the knowledge it contains often substitutes confidence for faith and religion for God causing many human spirits to be stillborn when they leave their body Man s battle is between knowledge and faith A quick look at the world will reveal the incompetence of knowledge *The Conspiracy of Compassion* Joe Nassal,Joseph F. Nassal,1997 Perhaps the greatest quality to develop on life s journey is the practice of compassion This book is about cultivating compassion in the garden of the soul Strengthening our inner resources for this sacred work it calls us to follow Christ to be co conspirators in the sacred story of salvation *Herald of Gospel Liberty* Elias Smith,1908
