Clean Pocket Change Matthew Rhone, 2020-11-27 Set in the early 2000 s this lighthearted comedy represents the time when the radio played pop music and grunge music faded away This reminiscent story will take you back to a time before indoor malls became obsolete and record stores barely existed In this novel Kevin moves to Pennsylvania and joins the army after the Marines Shortly after joining the army Kevin s army unit sets for deployment training in Washington and for eventual deployment abroad After training and before traveling overseas Kevin s army unit grants leave Kevin reunites with his old female Marine buddy Toni for Washington State sightseeing During Kevin s vacation time the two remanences on old times and like old times conduct in rowdy behavior which could jeopardize their liberty with the police The two lead on into sitcom worthy situations too strange to be true and encounter unusual people Their endeavors cover anything from tall tales from the sea to street fighting As former Marines some may find the characters mannerisms jaded but they will do almost anything for amusement

Dogfight Fred Vogelstein, 2024-03-26 Behind the bitter rivalry between Apple and Google and how it s reshaping the way we think about technology The rise of smartphones and tablets has altered the industry of making computers At the center of this change are Apple and Google two companies whose philosophies leaders and commercial acumen have steamrolled the competition In the age of Android and the iPad these corporations are locked in a feud that will play out not just in the mobile marketplace but in the courts and on screens around the world Fred Vogelstein has reported on this rivalry for more than a decade and has rare access to its major players In *Dogfight* he takes us into the offices and board rooms where company dogma translates into ruthless business behind outsize personalities like Steve Jobs Apple s now lionized CEO and Eric Schmidt Google s executive chairman and inside the deals lawsuits and allegations that mold the way we communicate Apple and Google are poaching each other s employees They bid up the price of each other s acquisitions for spite and they forge

alliances with major players like Facebook and Microsoft in pursuit of market dominance Dogfight reads like a novel vivid nonfiction with never before heard details This is more than a story about what devices will replace our cell phones and laptops It s about who will control the content on those devices and where that content will come from about the future of media and the Internet in Silicon Valley New York and Hollywood Wireless Home Networking For Dummies Danny Briere,Hurley,Edward Ferris,2006-04-05 Get hooked up without getting tangled up in cords wires cables or techno mumbo With Wireless Home Networking For Dummies you can go wireless without going mad It shows you how to plan install secure and use a wireless home network for PCs or Macs See how easy it is to share your Internet connection files folders printers and other peripherals Put your gaming console on your wireless network and play multiuser computer games even online With lots of helpful diagrams screen shots and step by step instructions this guide Gives you the info you need to make wise wireless buying and connecting decisions Covers the latest security issues and hardware as well as today s wireless standards including Wi Fi 802 11 a b g e and i Bluetooth UWB Universal Wide Band WiMAX and ZigBee Tells you how to use an inexpensive networking kit to connect your gaming console to a broadband Internet connection and speed up your commands that s often a matter of virtual life and death Discusses alternatives to wireless networking including Bluetooth HPNA and Home Plug Learn how to network your entertainment center for all kinds of options Whether you have a 300 TV set or a 25 000 home theater system you can wireless enable almost any type of A V equipment Then you can use your PC to store audio and video tracks for playback on your TV and through your stereo stream movies from the Internet and play them on your big screen load pictures from your digital camera on your PC and view them on the TV and more This book will show you how to make your home entertainment system much more entertaining with Info on plugging into wireless with wireless A V adapters The latest on wireless media servers like the Sonos Music System The scoop on the ultimate home theater PC HTPC that plays CDs and DVDs acts as a PVR personal video recorder lets you play video games on the big screen and more Tips for buying wireless bridges along with some specific products and their Web sites Find out about how to go wireless wherever you go with info on public wireless hot spots and types of free and for pay networks Delve into the whole home wireless revolution and see how you can add smart home devices to your network connect to your car or your home security video monitors use your cell phone as a remote control and more Wireless Home Networking For Dummies even gives you a look into the not so distant future and the wireless wonders in the works Grow Jim Stengel,2011-12-27 Ten years of research uncover the secret source of growth and profit Those who center their business on improving people s lives have a growth rate triple that of competitors and outperform the market by a huge margin They dominate their categories create new categories and maximize profit in the long term Pulling from a unique ten year growth study involving 50 000 brands Jim Stengel shows how the world s 50 best businesses as diverse as Method Red Bull Lindt Petrobras Samsung Discovery Communications Visa Zappos and Innocent have a cause and effect relationship between financial performance and their

ability to connect with fundamental human emotions hopes values and greater purposes In fact over the 2000s an investment in these companies The Stengel 50 would have been 400 percent more profitable than an investment in the S P 500 Grow is based on unprecedented empirical research inspired when Stengel was Global Marketing Officer of Procter Gamble by a study of companies growing faster than P G After leaving P G in 2008 Stengel designed a new study in collaboration with global research firm Millward Brown Optimor This study tracked the connection over a ten year period between financial performance and customer engagement loyalty and advocacy Then in a further investigation of what goes on in the black box of the consumer s mind Stengel and his team tapped into neuroscience research to look at customer engagement and measure subconscious attitudes to determine whether the top businesses in the Stengel Study were more associated with higher ideals than were others Grow thus deftly blends timeless truths about human behavior and values into an action framework how you discover build communicate deliver and evaluate your ideal Through colorful stories drawn from his fascinating personal experiences and deep dives that bring out the true reasons for such successes as the Pampers HP Discovery Channel Jack Daniels and Zappos Grow unlocks the code for twenty first century business success **Ask Magazine** ,2007 *Managing Human Resources* Luis R. Gomez-Mejia,David B. Balkin,Robert L. Cardy,2010 This work prepares future managers with a business understanding of the need for human resource management skills The non functional HR approach used in this text also makes human resources relevant to anyone who has to deal with HR issues even those who do not hold the title of manager Small Town Stories Cameron Gabriel,2012-05-16 What goes down in a small town stays there Or does it Join Calvin his friends on the wacky adventures involving the typical to the supernatural Welcome to Middle Valley another hub for Small Town stories **The Complete Idiot's Guide to Private Investigating, Third Edition** Steven Kerry Brown,2013-03-05 The mystique of private investigating draws significant numbers of people to consider it as a career or side business At the same time individuals want to learn investigative techniques to solve their own personal and legal problems In The Complete Idiot s Guide to Private Investigating Third Edition private investigator and former FBI agent Steven Kerry Brown shares his hard won expertise on everything you need to know to track down people and information including Tapping phones and recording conversations Interviewing and interrogating to get important information Tricky but legal ways to get needed evidence like the pros Performing onsite online and mobile surveillance without being detected Skip tracing to find lost loves or people who owe money Investigating backgrounds of potential employees or spouses Searching public records online and at the courthouse Catching a cheating spouse and gathering evidence for divorce cases Finding runaway teenagers Doing diligent searches connected with adoptions and estates Tracking down burglars thieves pickpockets and purse snatchers Advanced techniques and business advice for those interested in starting their own investigative or background screening agency Along the way Brown shares fascinating stories from his cases that highlight his clever methods for tracking down evidence and helping his clients find out what they
