Freak Show James St. James, 2008-10-02 Soon to be a major motion picture with Bette Midler Laverne Cox Abigail Breslin and Alex Lawther starring as Billy Bloom Freak Show has it all It s hilarious sad sexy and glamorous just the way life should be Perez Hilton Gutsy funny over the top Billy Bloom is a profile in courage The Washington Post Meet Billy Bloom new student at the ultra white ultra rich ultra conservative Dwight D Eisenhower Academy and drag queen extraordinaire Actually drag queen does not begin to describe Billy and his fabulousness Any way you slice it Billy is not a typical seventeen year old and the Bible Belles Aberzombies and Football Heroes at the academy have never seen anyone quite like him before But thanks to the help and support of one good friend Billy s able to take a stand for outcasts and underdogs everywhere in his own outrageous over the top sad funny brilliant and unique way *St James' Fair* Elisabeth McNeill, 2019-06-13 When a chance for freedom arrives will she dare to take it Odilie Rutherford is known in the small Scottish town of Lauriston for two things her beauty and her father Canny As a self made man Canny has the wealth he dreamed of but not the status and hatches a plan to marry his daughter to local bachelor of note the Duke of Maudesley Yet Odilie cannot bear the thought of a life with the ill mannered Duke and when the annual summer fair arrives in town for three days she seizes a chance to enjoy the freedom she craves But as the carnival atmosphere fills the town Odilie will find her life changes in ways she could never have imagined A captivating Scottish saga perfect for fans of Tessa Barclay and Val Wood **Exclusively Chloe** J. A. Yang, 2009 In the public eye since she was adopted as a baby from China by her Hollywood celebrity parents sixteen year old Chloe Grace longing for a normal life undergoes a transformation with the help of her mother s stylist and finds not only the life she wanted but an important key to her past The Campus Queen in Literature and Culture Jamie Hammel Culver, 2024-07-26 The Campus Queen in Literature and Culture Prom Queen Profiles explores the nuanced relationship between femininity and power and provides a scholarly framework for understanding the evolution of the prom queen s archetypal ubiquity Semantically the titles are nearly synonymous prom queen homecoming queen winterfest princess as all denote the longstanding tradition in the United States of conferring royal status upon teenage popularity Yet whatever we call it high school royalty remains one of the most paradoxical realities of youth culture for as fervently as it gets dismissed and discredited it is just as frequently revered and respected A physical manifestation of the student body s collective hegemonic efforts the campus queen occupies a significant space in literature and culture excavating truths both timeless and telling A signature survey of the genre this study traces the historical underpinnings and cultural implications of the campus queen examining the longevity of the archetype and ultimately reimagining the narrative for future generations **Legendary Children** Tom Fitzgerald, Lorenzo Marquez, 2020-03-03 A definitive deep dive into queer history and culture with hit reality show RuPaul s Drag Race as a touchstone by the creators of the pop culture blog Tom and Lorenzo NPR s Best Books of the Year 2020 pick A New York Times New Noteworthy book One of Logo NewNowNext s 11 Queer Books We

Can't Wait to Read This Spring From the singular voices behind Tom and Lorenzo comes the ultimate guide to all things RuPaul's Drag Race and its influence on modern LGBTQ culture. *Legendary Children* centers itself around the idea that not only is RuPaul's Drag Race the queerest show in the history of television but that RuPaul and company devised a show that serves as an actual museum of queer cultural and social history drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so, Drag Race became not only a repository of queer history and culture but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another and how they always have, and every bit of it is tied directly to Drag Race. Each chapter is an examination of a specific aspect of the show: the Werk Room, the Library, the Pit Crew, the runway, the Untucked lounge, the Snatch Game, that ties to a specific aspect of queer cultural history and/or the work of certain legendary figures in queer cultural history.

[More Bullies in More Books](#) C. J. Bott, 2009-04-20 Following on the success of her first book *The Bully in the Book and in the Classroom*, C. J. Bott has written this sequel to help those who work with children and young adults become familiar with books that address the problem of bullying. *More Bullies in More Books* presents over 350 annotated titles from picture books to high school books dealing with bullying. Chapters address specific bullying behaviors or problems: name-calling, putdowns, and gossip; being new and different; body image; cliques, groups, and gangs; sexism, homophobia, cyberspace, and violence. Each chapter begins with an introduction that describes the harassment seen most often in each grade level and contains relevant books at all reading levels. Every entry features an in-depth summary, activities, and quotes from the book for students to discuss. An important resource about a real and harmful problem, this book will be of interest to teachers, librarians, counselors, administrators, and parents.

The Medical Professional's Guide to LGBT+ Inclusion Kryss Shane, 2023-05-25 The rates of medical bullying, absences by LGBT professionals due to lack of safety in the workplace, and subsequent suicidality for LGBT youth and adults are exponentially higher than for non-LGBT youth and adults. As a result, many LGBT patients and professionals are suffering needlessly, and many business leaders are unsure of what to do. This book solves that problem. Featuring real-life situations and scenarios, a glossary, and further resources, this book enables professionals in a variety of business roles to integrate foundational concepts into their everyday interactions with potential and current employees to create an overall medical workplace culture that nurtures a welcoming, inclusive, and affirming environment for all. This book can be utilized by independent readers, department teams, and entire medical corporations' reading experiences. Setting out best practices and professional guidance for creating an LGBT-inclusive medical workplace, this approachable and easy-to-follow book guides medical leaders and anyone working in a medical facility toward appropriate and proven ways to create safer working environments, update workplace policies, enhance hiring and staff retention protocols, and better support LGBT employees in the workplace as well as for LGBT patient experiences. The real-life scenarios are a unique feature of this book. While many offer information, this book is practical and requires active

engagement with the material for the reader The scenarios offer the reader the opportunity to try out the foundational knowledge they obtained in earlier chapters by giving real business place experiences that others have been challenged by After reading the scenario there are intentional pointed thought questions which can be used for discussion if the book is read in groups or teams This encourages teamwork and shared learning Then readers will receive guidance from America's leading LGBT expert who uses her 25 years of experience to guide the reader as if they were receiving individualized guidance right from her to them

Gender Identity Cynthia L. Winfield, 2019-07-15 What does it mean to be male What does it mean to be female In contemporary culture such distinctions have increasingly been regarded as much too narrow to cover the entire spectrum of humanity Over the past few decades thousands of individuals have bravely declared their true identities and refused to be boxed into what society has dictated It has become increasingly important especially for those coming into adulthood to go beyond the concepts of gay lesbian straight and bisexual when examining gender In Gender Identity The Ultimate Teen Guide Cynthia L Winfield encourages readers to reject the notion that male or female designations fit all The author examines how gender lines have been crossed as a growing number of individuals including young adults have found the courage to express and celebrate their authentic selves In this book Winfield addresses Differences between biological sex sexual orientation gender identity and gender expression Legal protections for those outside the narrowly defined gender norms Public debate and shifting views about gender identity Ways readers can make society more cognizant and inclusive of gender variant individuals In addition to providing a well grounded introduction to lesbian gay bisexual transgender queer or questioning intersex and asexual persons and issues this book allows contemporary teens and young adults to voice their experiences As more and more public figures from actress Laverne Cox to Olympic athlete turned reality television star Caitlyn Jenner have shared their stories it's just as important for everyday people to identify who they are This second edition of Gender Identity The Ultimate Teen Guide is a much needed update of an important topic and will be of interest to young adults their families and friends and the community at large
