

MARK SCHEME for the May/June 2014 series

9698 PSYCHOLOGY

9698/13

Paper 1 (Core Studies 1), maximum raw mark 80

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

Dark Secrets of Childhood Fred Powell, Margaret Scanlon, 2015-05-06 Over the last few decades public opinion has been traumatised by revelations of child abuse on a mass scale It has become the major human rights story of the 21st century in Western society This ground breaking book explores the relationship between the media child abuse and shifting adult child power relations which in Western countries has spawned an ever expanding range of laws policies and procedures introduced to address the explosion of interest in the issue of child abuse Allegations of child sexual abuse by Roman Catholic clergy in Ireland and its cover up by Church authorities have given rise to one of the greatest institutional scandals of modern history Through in depth analysis of 20 years of media representation of the issue the book draws significant insights on the media s influence and its impact on civil society Highly topical and of interest and relevance to lecturers and researchers in the areas of childhood studies sociology of childhood child protection and social work social and public policy and human rights as well as policymakers this book provides an important contribution to the international debate about child abuse as reflected to the public through the power of the media *A Financial Crisis Manual* Dimitrios D. Thomakos, Platon Monokroussos, Konstantinos I. Nikolopoulos, 2016-03-31 The recent financial crisis has generated many structural changes within the economy Many issues are ongoing and the question of how to recover from the crisis and how to avoid another one are continually addressed by scholars and practitioners everywhere Where there is much discussion within academic and practitioner circles there is not always adequate interaction between these schools of research This book provides a thorough overview of the recent financial crisis from the perspective of both industry practitioners and academics specialising in the area The first part provides practitioner insight on the crisis and explores the causes and effects and of the recession European public financing ECB monetary policy and the Euro the repression of financial markets and financial stability Part two focuses on the case of Greece as a country still heavily impacted by the crisis which has undergone various unorthodox policies imposed by the IMF the ECB the EU The third part provides insight from researchers and academics covering an array of Economic theories and revealing new economics architectures available for the future With informed views from both financial industry practitioners and academics this book discusses current issues and implementable solutions for a faster post crisis recovery *Empire of Fear* Andrew Hosken, 2015-12-03 Tourists killed in Tunisia Jihadi John targeted by drone strikes carnage in Paris and hundreds of thousands of Syrians risking everything to reach Europe in an attempt to escape the violence Islamic State s reign of terror continues Back in June 2014 Islamic State had launched an astonishing blitzkrieg which saw them seize control of an area in the Middle East the size of Britain The news was soon filled with their relentless acts of savagery yet nobody seemed to know who they were or where they d come from In this updated edition of his acclaimed book BBC reporter Andrew Hosken delivers the inside story on Islamic State from their origins to the present day Through extensive first hand reporting Hosken builds a comprehensive picture of IS

their brutal ideology and exterminationist methods The result is equally compelling and horrifying **College Disrupted** Ryan Craig,2025-09-23 For nearly two decades pundits have been predicting the demise of higher education in the United States Our colleges and universities will soon find themselves competing for students with universities from around the world With the advent of massive open online courses MOOCS over the past two years predictions that higher education will be the next industry to undergo disruption have become more frequent and fervent Currently a university's reputation relies heavily on the four Rs in which the most elite schools thrive rankings research real estate and rah i e sports But for the majority of students who are not attending these elite institutions the four Rs offer poor value for the expense of a college education Craig sees the future of higher education in online degrees that unbundle course offerings to offer a true bottom line return for the majority of students in terms of graduation employment and wages College Disrupted details the changes that American higher education will undergo including the transformation from packaged courses and degrees to truly unbundled course offerings along with those that it will not Written by a professional at the only investment firm focused on the higher education market College Disrupted takes a creative view of the forces roiling higher education and the likely outcome including light hearted real life anecdotes that illustrate the author's points *NTA-CSIR-NET/JRF (Compulsory Paper) General Aptitude: Part A* YCT Expert Team , NTA CSIR NET JRF Compulsory Paper General Aptitude Part A Chapter wise Solved Papers "e;Original Sin"e;? Kumar Ramakrishna,2016-05-13 e Revisioniste or e alternativee historians have increasingly questioned elements of the Singapore Story the master narrative of the nation's political and socioeconomic development since its founding by the British in 1819 Much criticism focuses especially on one defining episode of the Story the internal security dragnet mounted on 2 February 1963 against Communist United Front elements on the island known to posterity as Operation Coldstore The revisionists claim that Coldstore was mounted for political rather than security reasons and actually destroyed a legitimate Progressive Left opposition personalized by the charismatic figure of Lim Chin Siong rather than a dangerous Communist network as the conventional wisdom holds Relying on both declassified and some previously unseen classified sources this book challenges revisionist claims reiterating the historic importance of Coldstore in helping pave the way for Singapore's remarkable journey from Third World status to First in a single generation *Voice and New Writing, 1997-2007* M. Inchley,2015-03-14 In New Labour's empathetic regime how did diverse voices scrutinize its etiquettes of articulation and audibility Using the voice as cultural evidence Voice and New Writing explores what it means to have a voice in mainstream theatre and for newly included voices to negotiate with the institutions that find and represent their identities *The Watchdog Still Barks* Beth Knobel,2018-03-27 Perhaps no other function of a free press is as important as the watchdog role its ability to monitor the work of the government It is easier for politicians to get away with abusing power wasting public funds and making poor decisions if the press is not shining its light with what is termed accountability reporting This need has become especially clear in recent months as the American press has come under

virulent direct attack for carrying out its watchdog duties Upending the traditional media narrative that watchdog accountability journalism is in a long dismaying decline *The Watchdog Still Barks* presents a study of how this most important form of journalism came of age in the digital era at American newspapers Although the American newspaper industry contracted significantly during the 1990s and 2000s Fordham professor and former CBS News producer Beth Knobel illustrates through empirical data how the amount of deep watchdog reporting on the newspapers studied front pages generally increased over time despite shrinking circulations low advertising revenue and pressure to produce the kind of soft news that plays well on social media Based on the first content analysis to focus specifically on accountability journalism nationally *The Watchdog Still Barks* examines the front pages of nine newspapers located across the United States to paint a broad portrait of how public service journalism has changed since 1991 as the advent of the Internet transformed journalism This portrait of the modern newspaper industry shows how papers of varying sizes and ownership structures around the country marshaled resources for accountability reporting despite significant financial and technological challenges *The Watchdog Still Barks* includes original interviews with editors who explain why they are staking their papers futures on the one thing that American newspapers still do better than any other segment of the media watchdog and investigative reporting
