I Can Make You Hate Charlie Brooker, 2012-10-02 Would you like to eat whatever you want and still lose weight Who wouldn t Keep dreaming imbecile In the meantime if you d like to read something that alternates between laugh out loud funny and apocalyptically angry keep holding this book Steal it if necessary In his latest collection of rants raves hastily spluttered articles and scarcely literate scrawl Charlie Brooker proves that there is almost nothing in this universe big or small that can t reduce a human being to a state of pure blind hatred It won t help you lose weight feel smarter sleep more soundly or feel happier about yourself It WILL provide you with literally hours of distraction and merriment It can also be used to stun an intruder if you hit him with it correctly hint strike hard using the spine on the bridge of the nose ONLY A PRICK WOULDN T BUY THIS BOOK DON T BE THAT PRICK **Royal Education** Peter Gordon, Denis Lawton, 2003 Many people assume that kings and queens have generally received a good education perhaps the best that money could buy at the time This book investigates the reality what is known about the education of British sovereigns from the beginning of the Tudor period to the end of the 20th century There have been enormous differences in the seriousness with which education was regarded at different points in history For example Henry VIII and his children were educated at a high point in the Renaissance when educational ideas were regarded as important as well as exciting Queen Elizabeth I was by any standards extremely well educated by contrast Queen Elizabeth II s education has been described as undemanding because her parents wanted her to have a happy childhood Peter Gordon and Denis Lawton have traced changes in royal education through the centuries and related them not only to educational ideas and theories but

also to changing political social and religious contexts The monarchy itself has changed as an institution from the semi absolute authority of the Tudors to a much more limited kind of monarchy by the end of the Stuart period after one king had been executed and another exiled to the constitutional monarchy of the 20th century To what extent have such changes made any difference to royal education What is the most appropriate kind of education for future kings and queens in our present day democracy In this book the authors confront these and other such questions and explore some of the answers *The Mosaic Escalator* Michael Nicholson, 2024-03-28 The Mosaic Escalator entertains and absorbs Four university students from Melbourne are on a guided tour around Uluru the red monolith at Australia s centre Entering a mysterious opening into the rock they are unable get back out with their indigenous guide Yvonne an adopted Dingo pup and conflict and humour they embark on an amazing journey through time and space As they travel through the unknown the question invariably arises whatever happened between the Free and the Obediently Confined **Fuck Berlin** Kristjan Knall, 2022-06-09 I am really sorry you live in Grimsby the banlieue of Lyon Podgorica or some other bumfuck nowhere Which at least from here in Berlin is pretty much anywhere in the world But guess what Berlin is not a single fuck better Actually it s a shithole of epic proportions Don t believe the hype or you are going to be the fuckwit of the month You won t earn money here you won t have fun in spite of the tons of drugs you will be taking you will not meet your partner soul companion no real friends or even people who won t fuck you over at any given opportunity You will be left as a bloated syringe mark riddled corpse on the sidewalk best ignored but most likely be pissed on by Berliners And they won t even be drunk Now don t get me wrong This is not another racist pamphlet They usually don t work out well in Germany If anything it s racist against Germans and specifically against Berliners Thinking is the most unhealthy disease in the world and people die of it just as they die of any disease Luckily in Berlin at any rate thought is not catching The fact is they are the scum of the earth If you stay here long enough you will be too 12 years to be exact and in Germany everything is exact The reason Don t ask you traitorous pig Just follow orders How it got that way is a bit of a mystery An ugly chaotic but at times absurdly funny mystery So if there s any way you can be diverted from coming here or at least don t want to fall that hard read on and see what an admitted asshole Berliner has to say What s more do you hate guide books Good because they are shit unless you want to cue for hours at a fucking museum with thousands of people Why is it that we always go to exhibitions museums historic sites and other crap that we wouldn t even give a firstt glance at home Because we are bored we don t know what to do and where So here is all the info you need to go to the dark corners enjoy abject eccentricity and get smashed like there is no tomorrow I ve written a shitload of books about Berlin and way too often stammering twats come along and ask for an English version while getting his purse nicked by a friend of mine Don t you get insulted enough So yeah as we re all so fucking international here you have it all unfiltered all way too real Oh and be prepared to lose all your cushy illusions through vicious thoughts and obscenely strong language you whiny little cunt Warum also soll man sich mit einem weiteren dieser Autoren treffen Zumal
