Straw, 2017-10-23 Dane Carmichael could not be happier He has just married the love of his life and is now on the honeymoon of his dreams in the Maldives On Danes wrist is an Omega watch gifted to him by a pilot when he was just a boy He only wears it when he flies and it helps him feel safe When he finds a strangely familiar deck of playing cards in his hotel room drawer with a code written on one of the cards Dane has no idea just how far that deck of cards has come As the past interweaves with the present a story soon emerges behind a deck of playing cards given by a kindly fellow passenger to a lonely eleven year old boy flying to visit his family While the cards bind characters and their unique stories they come to life as suits are dealt on different continents shuffled for different games and held during worthy conversations As the cards travel all over the world life comes full circle as their amazing power binds strangers forever Complimentary Tales shares the fascinating tale behind an old deck of playing cards as it is passed around the world and affects the lives of all who play a hand
