Reviews for *Second Chance With You* If you love a slow burn type chemistry but is also kept clean then I think you'll like it. Tiffany Ben is now my second favorite brother of the Baxter boys and I've read books 1-4. West Texas Reader Yes it's a story about bad decisions the pressures parents put on their children and heartaches. But it's also a story about hope new beginnings family and love. A story you will fall in love with. Warning tissues will be needed. Yvonne What a great story I have to say it is my favorite in this series thus far I didn't want it to end. Peni I love the truth in these relationships. We fail and get ourselves into trouble but with love forgiveness and integrity and God's help we press on and find healing and lasting love.
