Cultural Encyclopedia of the Penis Michael Kimmel, Christine Milrod, Amanda Kennedy, 2014-09-26 Peter Pecker Wiener
Dick Schlong Penis Whatever we choose to call it the penis is more than just a body part This A to Z encyclopedia explores the cultural meanings interpretations and activities associated with the penis over the centuries and across cultures Scholars activists researchers and clinicians delve into the penis in antiquity in art in religion in politics in media in music and in the cultural imagination They examine the penis as a problem a fetishized commodity a weapon an object of play Penile d cor and fashions from piercings to koteka are treated with equal dignity Explanation of common medical terms and not so common subcultural practices add to the broad scope of the book Taken together the Cultural Encyclopedia of the Penis offers refreshing thoughtful and wide ranging insight into this malleable meaningful body part The Erotic Whitman Vivian R. Pollak, 2000-08-04 Absorbing and incisive The Erotic Whitman makes an important contribution not only to our understanding of the dynamics of nineteenth century literary history but also more generally to American studies and gender studies in particular to the increasingly lively study of the subject now called masculinities Sandra Gilbert author of *Wrongful Death* A Medical Tragedy and with Susan Gubar of *The Madwoman in the Attic* The Erotic Whitman moves skillfully between Whitman s use of the sexualized body and his dreams for the body politic drawing on Whitman s biography to provide newly informed illuminating readings of his work This work should place Pollak solidly alongside other elite Whitman scholars such as Michael Moon M Jimmie Killingsworth and Betsy Erkkila Emory Elliott Distinguished Professor of English University of California Riverside This is an incisive venturesome carefully argued contribution to an often discussed but still insufficiently understood dimension of Whitman s life writing and significance its biographical historical bases its aesthetics its cultural political implications One may at certain points dispute but at no point fail to respect Pollak s thoughtful unfolding of her subject from Whitman s early family life to the myth of democratic maternalism in his later poetry Lawrence Buell author of *The Environmental Imagination* Thoreau Nature Writing and the Formation of American Culture This is an imaginative and sensitive book about the profoundly personal sources of Whitman s poetry in his relations with his family and his male lovers Through illuminating readings of Whitman s early fiction his various editions of *Leaves of Grass* and *Democratic Vistas* Pollak argues that Whitman s democratic and homoerotic dream vision is frequently at odds with the realities of his life as son brother and lover Pollak s scholarship is impressive and massive and she brings new insights to bear on many dimensions of Whitman s life and writing She is particularly attentive to the place and plight of women in Whitman s work Her book will be widely read and appreciated especially by Whitman scholars and others interested in the psychosexual and biographical sources of art Betsy Erkkila author of *Whitman the Political Poet* **A Second Humorous Erotica Collection** Chastity Veldt, 2025-02-03 Jake has one mission to spread laughter and lust across the country Standup comic Jake Nilsen has taken his tour to the midwest and west coast eager to visit new locales and new ladies After a stop at a farmers market to sample

Intimacy on the Internet Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

The Dispassionate Kassim Hariri, 2017-09-18 The Dispassionate follows the life of an individual who has been destined to a disastrous fate If hell be taken through his lowest point emotionally physically and telepathically forced to draw upon past experiences will he be able to sculpt an alleviating and paradisiacal existence Will he be able to find the delicate balance between true peace and power Maybe a spiritual guidance could aid in his conflict with His fear is only met by the inquisition of his own bravery

Sex in Language Eliecer Crespo-Fernández, 2015-08-27 Metaphor has long provided a rich way to speak about the unspeakable to refer to delicate issues Sex is one such area This book follows a cognitive linguistic and relevance theoretic approach to the

language of sex considering metaphor as a bridge that brings together mind and language It does this through the analysis of the antithetical mechanisms of verbal mitigation and offence These two mechanisms are more commonly known as euphemism and its lesser known companion term dysphemism The volume reflects on the social and communicative functions that sexual metaphors perform in a sample of almost two hundred postings taken from internet forums How do people think about sex How do people avoid talking about sex How do people paraphrase sexual topics It offers an account of how real language users understand sexual taboo in present day English and also a great grounding in manual corpus work on a qualitative level

Humbug Jack Davis, Will Elder, Al Jaffee, Harvey Kurtzman, Arnold Roth, 2009-04-21 You know MAD Do you know Humbug Harvey Kurtzman changed the face of American humor when he created the legendary MAD comic As editor and chief writer from its inception in 1952 through its transformation into a slick magazine and until he left MAD in 1956 he influenced an entire generation of cartoonists comedians and filmmakers In 1962 he co created the long running Little Annie Fanny with his long time artistic partner Will Elder for Playboy which he continued to produce until his virtual retirement in 1988 Between MAD and Annie Fanny Kurtzman's biographical summaries will note that he created and edited three other magazines Trump Humbug and Help but whereas his MAD and Annie Fanny are readily available in reprint form his major satirical work in the interim period is virtually unknown Humbug which had poor distribution may be the least known but to those who treasure the rare original copies it equals or even exceeds MAD in displaying Kurtzman's creative genius Humbug was unique in that it was actually published by the artists who created it Kurtzman and his cohorts from MAD Will Elder Jack Davis and Al Jaffee were joined by universally acclaimed cartoonist Arnold Roth With no publisher above them to rein them in this little band of creators produced some of the most trenchant and engaging satire of American culture ever to appear on American newsstands

Sex Pots Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women and many women reduced the politics of men's power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist

politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography
