Eastern Orthodoxy Illuminated by the Gospel
Ivica StamenkoviA++ ,2023-10-24 *Eastern Orthodoxy illuminated by the Gospel* is one of the greatest books ever written about the Orthodoxy Reading the book *Eastern Orthodoxy illuminated by the Gospel* is like climbing a high mountain where your visual field gets expanded with each step discovering new and exciting details and finally gives an exceptional panoramic view that evokes the strongest feelings Each new line is like a new stair leading to a highest top from where you can observe the whole Orthodoxy Orthodoxy from God s perspective Light of the glorious Gospel and Christ s teachings shines like the sun throughout this book illuminating a complete profession of faith of the Eastern Orthodox Church Sladjan Djuric Author of the book *Only Scripture Serbia* I have never understood why Eastern Orthodox people practice or believe certain things When I would ask I would either get silence or a very confusing and superficial answer Ivica s book made those mysterious things clear for the first time and helped me understand the essence and the roots of the Orthodox religion Without exaggeration I think this is a first class apologetic manual ever written Everyone who is called to work with Orthodox believers should have this book because it can help them understand the people who practice Eastern Orthodoxy and give them directions how to pray and preach the Gospel more efficiently 2 Corinthians 4 3 4 Ephesians 6 12 Jan Vareca Editor of a Christian e magazine *The trumpet of Zion Serbia* Eastern Orthodoxy has been largely unknown in the West but in the recent years there has been a surge of interest particularly among Christians of Protestant Evangelical orientation many of whom wish to find out more about this mystical expression of faith that captivates by its ancient charm and connection to the early church fathers The book *Eastern Orthodoxy Illuminated by the Gospel* by Ivica Stamenkovic will unlock the mysteries of Eastern Orthodoxy for the Western readers A native of Serbia a country with a strong Eastern Orthodox majority Ivica had the advantage of studying Eastern Orthodoxy at its source The product of his studies is a volume that deserves to be called nothing less than a textbook on Eastern Orthodoxy and probably the first of its kind available in the English language His clear scholarly approach leaves no stones unturned Needless to say a study such as this one has been long overdue in the West Even though scholarly the book is by no means dry and is an enjoyable read cover to cover Alex Jovanovic Pastor of Mooretown Brethren in Christ Church Sandusky Michigan USA

Not Ashamed of the Gospel Earl Cripe,2009-04 Rev Cripe gives an interpretation of Romans which rises from the orthodox precept that revelation not reason is the test of truth He

sees faith not intellect as the link between man and God the Word of God as the medium of communication and the Holy Ghost as the Communicator In his comprehensive commentary Rev Cripe disdains the intimidation of modern religious tradition and humanism His commitment to the text and the context is immediately apparent to those who like the Bereans read with all readiness of mind and let the Scriptures distinguish the true from the false With the clear clarion voice of a prophet Rev Cripe incorporates independent and original thought with orthodox doctrinal disciplines that brush aside the stifling and misleading errors of rationalism The childlike simplicity of the explanations in this book brings the mighty and timeless riches of Romans back into the reach of sincere Christians who seek the reality and vitality of the victorious Christian life evidenced by the Apostles and the Church of the first century The Epistle to the Romans furnishes us with the foundation stones of the Gospel he says Not Ashamed of the Gospel puts those foundation stones into their proper place

That You Might Believe - Study on the Gospel of John Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29

In the Beginning: Hijacking of the Religion of God Sami M. El-Soudani, 2009-04-27 This Book presents a uniquely critical and candid outlook on religion documenting the last three thousand years of religious history showing how hijackings of all three religious persuasions Judaism Christianity and Islam led to all three religions being exploited and manipulated over the entire course of their history Our book shows that men who practiced hijacking long before they had wings have been quite busy for the last three thousand years engaged in the lucrative business of hijacking the religion of God No irony intended in calling it a business and indeed a lucrative one because it brings the hijackers power enormous wealth and often glory all of which in the sight of God translate respectively into arrogance greed and infamy Sadly enough all three religious persuasions Judaism Christianity and Islam without exceptions suffered the dire consequences of such heinous infractions angering God Volume 1 Judaism presents two hijackings of Judaism the first hijacking upon worship of the golden calve lasting several centuries followed by a second hijacking in modern times with Judaism currently being hijacked by Zionism Volume 2 Christianity also documents two hijackings of Christianity with the first executed by Saint Paul as he morphed Jesus into the Son of God then replaced him with Paul invented Mythical Christ This was followed by a second
