**Hearts Beat Strong** B. M. Fischer, 2014-11-17 We live in a world where vital truths have been forgotten It is a world unlike what we have been told It is a world with extraterrestrials secret societies and hidden agendas It is a world where deep currents struggle just below the surface Until now This is a story of one soul manifest in three people This is a story of conflicts between masculine and feminine energies the future and the past and the rulers and the ruled This is the story of all of humanity and the one thing that can save it True Love Can you learn the truth and not lose yourself along the way Can the elites learn to embrace their working class brothers once again Can the victims of mind control persecution and genocide learn to forgive their oppressors Can we face the reality that we are not and never have been alone Will humanity be faced with a dark and disastrous New World Order timeline Or can we save ourselves and build a future in which we travel the stars as a loving and peaceful people Hearts Beat Strong is the story of us and how we can and will move into the future

Heartbeat JoDell Mitchell, 2022-11-03 Our son was going through a difficult time in life Some said he was working on his testimony During that difficult time when we didn't know where he was what he was doing or even if he was alive God gave Jim a verse from Isaiah 57:18 I have seen his ways but I will heal him I will lead him and restore comfort to him and to his mourners NASB This became our promise to our son A promise that took us through the heartbreak of a prodigal into the healing of our hearts and the restoration of a young prodigal Today that prodigal is serving the Lord has a beautiful wife and 3 great children with another one due to the middle of 2018 This book started as our story But as we have talked with many parent and grandparent over the years we discovered there are countless hurting families that long for the prodigal to come home The truth be told this story is really about the loving faithfulness of a gracious heavenly Father that loves us and our kids and grandkids even more than we do Life's hard these days for our children When you lose them to the world what do you do The principles of this book will help you bring everything back into focus and find real concrete solutions to keep your sanity in the middle of the storm
