**Television Series of the 2000s** Vincent Terrace, 2018-10-15 In the first decade of the new millennium the four major networks struggled to hold their own as cable channels and unscripted shows began to dominate the television landscape. Network powerhouses like 24, Desperate Housewives and Two and a Half Men competed for viewers siphoned off by cult shows like The Closer, Gilmore Girls and Veronica Mars. In that decade shows such as 30 Rock and Modern Family were vying for awards while programs like Bones, CSI and Dexter were pushing the envelope for graphic violence. All of these shows live on in syndication, streaming services and DVDs, generating a constant wave of new viewers. In *Television Series of the 2000s*, Essential Facts and Quirky Details, Vincent Terrace presents readers with a cornucopia of information about fifty programs from the decade. For example, did you know that Adrian Monk's father was a textbook writer? That psychic Shawn Spencer carries a travel size packet of Johnson's Baby Shampoo in his wallet? Or that Gregory House's street address is the same as the fictional world's greatest detective, Sherlock Holmes? These are just a handful of hundreds of fun and intriguing specifics found inside this volume. Programs from all of the major networks as well as select syndicated programs and premium cable channels are represented here. This is not a book of opinions or essays about specific television programs but a treasure trove of facts associated with each show. From the time of day that Sheldon Cooper calls his alone time to the janitor's name on *Scrubs*, readers will discover a wealth of fascinating information that for the most part cannot be found elsewhere. In some cases, the factual data detailed herein is the only such documentation that currently exists on shows of the era. *Television Series of the 2000s* is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert.

**Fernsehserie und Literatur** Vincent Fröhlich, Lisa Gotto, Jens Ruchatz, 2020-04-28 Game of Thrones und Fantasyromane, Empire und Shakespeare: wie beeinflussen sich Fernsehserie und Literatur gegenseitig? Fernsehserie und Literatur untersucht die wechselseitige Bezugnahme von Fernsehserie und Literatur am Beispiel von erfolgreichen Serien wie *Deadwood*, *Sherlock* oder auch *Castle*. Dabei steht einerseits der Einfluss der Literatur auf televisuelle Adaptionen auf dem Prüfstand, wie auch umgekehrt die Rückwirkungen der Fernsehserie auf die Literatur. Kann die Literatur als Fortsetzung der Fernsehserie mit anderen Mitteln gedacht werden? Wie unterscheiden sich seriell gebaute Romane des 19. Jahrhunderts von heutigen TV-Serien? Der Band geht diesen Fragen auf die Spur und listet dabei auch Phänomene wie Fan Fiction und Quality TV nicht außer Acht.

*on Castle Season 3* John Andrews,2012-05-15 While it takes the form of a fairly conventional murder mystery show Castle delights in misdirection red herrings and character interaction When other shows focus on forensic evidence or legal maneuvering Castle tells the story of the victim how they got to the point at which someone else felt compelled to snuff out his or her life A crime novelist shadowing a police detective for three years requires some suspension of disbelief but the trust Beckett shows in Castle and the value he lends to investigations makes it plausible Castle also excels at blurring the

lines between its fictional universe and the real world It s not unusual for a modern television show to set up the occasional Web site as a promotional tool but Castle doesn t stop there Male lead Nathan Fillion is a Twitter star with well over a million followers but his character Richard Castle also tweets regularly though the latter can claim only 72 000 followers as of this writing
