Notice and Note Literature Log: A Place to Note What You Notice Kylene Beers, Robert E. Probst, 2013-11-21 The essential element in rigor is engagement If students are to read rigorously they must be committed to understanding some intriguing character to solving some problem to figuring out what a writer believes and how those thoughts compare with their own The literary signposts in Notice and Note encourage this rigor Now in the Notice and Note Literature Log we share our signposts with students Kylene Beers and Robert E Probst Notice and Note transformed how teachers help students read and analyze complex texts Now a new Notice and Note Literature Log offers students practice finding the signposts with over the shoulder coaching from Kylene and Bob The first section of this interactive notebook offers students passages from popular novels in which they can practice as a class or on their own finding the Notice and Note signposts Each practice passage is followed with comments from Bob and Kylene that explain to students what they read These

passages are perfect for minilessons the teacher might want to use to reinforce or reteach signpost lessons In the second section students log the books they are reading In the final section students have space to track their thinking and take notes on what they notice as they read novels for class or on their own The Notice and Note Literature Log is more than a place where students can note what they notice Through its regular coaching commentary this literature log offers students an opportunity during independent reading to read and learn with two master educators at their side Talking through Reading and Writing Daniel Rose,Christine Walsh,2020-11-11 In this book you will read many examples of rich literacy conversations between a teacher and his 8th grade students that never would have occurred face to face in the classroom These conversations take place online when 8th graders write to their teacher about the books they re interested in reading and choosing to read independently Students write about what happens when they read or don t read how they feel about reading how they re connecting with characters and ideas why they don t have enough time to read and what their reading goals are And their teacher writes back to them Every week After each conversation you will read some meta talk that shines a light on what the conversation has taught us about this language learner and how this data is informing our beliefs and practices Embedded within the chapters are suggested resources articles book recommendations links websites blogs etc you can follow should you want to read more in that chapter What these students reveal about their own literacy development their successes their challenges their lives and how their teacher nudges them along socially emotionally and academically teach us the value and power of one practical authentic literacy tool the Reading Conversation Journal **Little Readers, Big Thinkers** Amy Stewart,2023-10-10 Young learners are full of questions and wonderings so much so that sometimes they need a guide for their curiosity Author Amy Stewart brings her manageable approach to close reading in Little Readers Big Thinkers Teaching Close Reading in the Primary Grades With Stewart guiding you ll be able to harness the big thinking we know is inside their inquisitive minds She showcases ways that close reading can teach even the youngest students new ways to enjoy texts think about them critically and share that thinking with peers and adults With its description of the pillars of close reading multiple lesson sequences for grades K 2 and real life classroom scenarios Little Readers Big Thinkers offers a trove of insights What close reading is and is not How to encourage students to read like detectives Ways to weave close reading practices into your lessons How to cultivate real reading organic thinking and deep conversation Which books invite amazing learning and thinking experiences By giving young minds a great foundation close reading will become a stepping stone to a lifelong love of reading **Still Learning to Read** Franki Sibberson,Karen Szymusiak,2023-10-10 Authors Franki Sibberson and Karen Szymusiak are back with an updated version of Still Learning to Read Teaching Students in Grades 3 6 2nd Edition In the years since the first edition prevalence of testing and Common Core State Standards have redefined requirements and what is expected of both teachers and students This new edition focuses on the needs of students in grades 3 6 in for the following areas reading workshops read alouds classroom design digital tools fiction and nonfiction and close
