A Tapestry Garden Ernie O'Byrne, Marietta O'Byrne, 2018-04-26 This is a love story about a couple and their relationship with an acre and a half of land with exceptional plant descriptions that read like character references for old friends beautiful photographs and prose await Library Journal Marietta and Ernie O'Byrne's garden situated on one and a half acres in Eugene Oregon is filled with an incredible array of plants from around the world By consciously leveraging the garden's many microclimates they have created a stunning patchwork of exuberant plants that is widely

considered one of America's most outstanding private gardens. In *A Tapestry Garden*, the O Byrnes share their deep knowledge of plants and essential garden advice. Readers will discover the humble roots of the garden, explore the numerous habitats and the plants that make them shine, and find inspiration in photography that captures the garden's astonishing beauty. There is something here for every type of gardener: a shade garden, perennial borders, a chaparral garden, a kitchen garden, and more. Profiles of the O Byrnes' favorite plants, including hellebores, trilliums, arisaemas, and alpine plants, include comprehensive growing information and tips on pruning and care. *A Tapestry Garden* captures the spirit of a very special place.

The Nonstop Garden Jennifer Benner, Stephanie Cohen, 2010-05-19 Provides advice for creating a year-round garden, including information on choosing trees, shrubs, and ornamental plants, and adding containers and structures.

Landscape Gardening with CARE Sylvia Hoehns Wright, 2015-05-04 Black and white paper cover edition through combining workshop-style assignments with research and hands-on experience. Wright takes readers through a process that uses site plans to create landscape gardens that respect an existing vista, preserving and enhancing eco-health. For any style, landscape, says Wright, should not simply be a result of traditional design, but be the right plant installed in the right place at the right optimal planting season, creating landscape green, an eco-legacy of sustainable urban/suburban communities that enhance green space for today and future generations.
