HOW TO WRITE AN ESSAY IN 9 STEPS

READ YOUR ESSAY PROMPT THOROUGHLY

It is vitally important that you carefully read through the essay prompt and are sure that you fully understand it. You should look at any keywords within the prompt such as 'discuss' or 'compare.' These words will give you a more clear idea of what is expected from the essay. You will then want to look at any specifics, for example does the prompt ask you to write about a certain time period, product or person? This will ensure that you are clear on the specifics and will not stray from them.
