Human Development Report Health Care:

Health Care Reforms in India - E-Book Rajendra Pratap Gupta, 2016-01-19 Entertaining provocative lively well written text which is must read for people who are passionate to drive change in health care Well researched book on health care reforms that captures wealth of insights serving as comprehensive source of up to date information and facts Offers interesting insights into the health of India s population and makes a passionate appeal for political priority to be given to universal health coverage and for an upstream pre emptive approach to health Contains thought provoking ideas and reform proposals which are of global relevance Must read for everyone interested in the Health Care System of India

Human Development Report 1996 United Nations Development Programme, 1996 The Human Development Report now in its seventh edition updates the unique Human Development Indicators comparing human development in most countries of the world and the data tables on all aspects of human development The special focus of this edition is on the important link between economic growth and human development The Report maintains that the link is not automatic but can be established through proper policy management arguing the case for initiating and accelerating economic growth and at the same time accelerating and sustaining human development in different parts of the world The Report also maintains that the quality of growth is as important as its quantity otherwise growth can be jobless voiceless ruthless rootless and futureless It identifies employment as an important instrument in translating the benefits of economic growth into people s lives An indispensable resource for courses in international development the Report ranks 174 countries according to the Human Development Index HDI It also gives the global ranking of more than 100 countries in terms of Gender Related Development Index GDI and the Gender Empowerment Measure GEM The first index represents HDI taking into account gender inequality in capabilities and the second represents female opportunities in selected economic and political areas New to this edition is the Capability Poverty Measure CPM which is used as an alternative to the traditional income poverty measure The Report concludes that the future challenge is how to forge and sustain the desired kind of linkage between economic growth and human development in a globalized world which represents both opportunities and threats for the nations of the world

Human Development Report 2005 United Nations Development Programme, 2005 The Human Development Report 2005 examines the scale of the challenge facing the world at the start of the ten year countdown to the 2015 Millennium Development Goals mark The Report focuses on three pillars of cooperation each of which is in urgent need of renovation The first pillar is international aid the Millennium Development Goals MDGs project has been compromised by chronic and sustained under financing allied to problems in aid quality The second pillar is international trade Under the right conditions trade can act as a powerful catalyst for human development The development round of World Trade Organization talks launched in 2001 provided northern governments with an opportunity to create those conditions The third pillar is that of security violent conflict is a source of systematic human rights violation and a barrier to progress towards the MDGs that

must be overcome

Human Development Report 1993 United Nations Development Programme, 1993 Since its headline making debut the Human Development Report has become an essential resource for development specialists economists and political scientists around the world While previous Human Development Reports focused on investment in people the 1993 Report not only updates the findings of the earlier volumes but shifts the focus towards the other side of human development mobilizing and utilizing human potential The Report surveys the instruments for enhancing and encouraging participatory patterns of development including privatization and participatory market structures vertical and horizontal decentralization of government functions devolution of government powers enterprise decentralization involvement of NGOs and other grass roots organizations and empowerment of people It probes the vital connections between employment and development and offers a global framework for employment that takes into account the growing pressure for international migration In addition it examines links between human development and international markets for products capital and labor and presents updated human development indicators for more than 160 countries

Human Development Report 1992 United Nations Development Programme, 1992 Since its headline making debut the Human Development Report has become an essential resource for development specialists economists and political scientists around the world The 1992 Report not only updates the findings of the earlier volumes but also examines the international dimensions of human development showing how global economic growth and the expansion of the world economy have filtered down to poor economies and poor people in developing countries In addition it examines links between human development and international markets for products capital and labor addresses issues of global governance and presents updated human development indicators for more than 160 countries

Human Development Report 2004 United Nations Development Programme, 2004 This is the 15th report prepared by a team of independent experts which explores major development issues of global concern The 2004 report focuses on issues of cultural liberty and concludes that countries must actively devise multicultural policies to prevent cultural discrimination whether on grounds of religion ethnicity or language since the expansion of cultural freedoms is at the core of human development Rather than presenting a threat to state unity the report argues that diversity is the only sustainable option to promote stability and democracy within and across societies Issues discussed include confronting extremist movements for cultural domination myths surrounding cultural liberty and development the impact of globalisation on cultural choice social exclusion human rights and participation It also includes data tables for the Human Development Index HDI which measures key social and economic indicators for rich and poor countries including life expectancy health and sanitation employment rights gender equality education and income per person
