Congress. Senate. Committee on Energy and Natural Resources, 2017 **Fee Hunting**, 2001 *The Ogoki River Guides* Edward J. Hedican, 2010-10-30 The Ogoki River Guides describes the prolonged struggle that members of a small native community in northern Ontario have undertaken in their attempt to establish a viable local economy The leaders of Collins the community in which the events of the book take place have made a concerted effort to ensure that the community takes charge of its own affairs and in doing so have generated some important lessons for governmental policy in northern areas The study makes evident the fact that certain changes in current government practices are needed especially in areas of local inputs into policy and control issues if community based groups like Ogoki River Guides are to flourish and if real local initiatives in economic development has a chance to become a widespread pattern in northern areas The suggestions then is that studies such as the present one which focus on the economic development projects of the native community are necessary in order to help orient government policy and planning The author uses as exchange theory approach to study the conditions favouring emergent community leadership and to analyse the ways in which political activity in small communities is apt to change under particular conditions and stresses Yet he also demonstrates some of the inadequacies of exchange theory itself especially in terms of its difficulty in accounting for variations in historical and cultural change The Ogoki River Guides should be of interest not only to those in the academic community but also to those concerned with native affairs at the community level or in higher administrative capacities of planning policy and development **The Commercial & Financial Chronicle and Hunt's Merchants' Magazine**, 1886 *Sawtooth National Forest (N.F.), Land and Resource(s) Management Plan (LRMP) (ID, UT)*, 1987

Indigenous Ecotourism Heather Zeppel, 2006 Drawing on case studies from Pacific Islands Africa Latin America and Southeast Asia this book examines ecotourism enterprises controlled by indigenous people in tribal reserves or protected areas It compares indigenous ecotourism in developed and developing counties and covers cultural ecotours ecolodges and bungalows hunting and fishing tours cultural attractions and other nature based facilities or services **Butte Resource Management Plan**, 2008 **Tongass National Forest (N.F.), Shoreline Outfitter/guide**, 2004 *Battle Creek Salmon and Steelhead Restoration Project*, 2005 **Sustainable Tourism Policy and Planning in Africa** Emmanuel Akwasi Adu-Ampong, Albert Nsom Kimbu, 2020-12-17 Sustainable Tourism Policy and Planning in Africa offers an accessible and understandable overview of the challenges of integrating sustainability into tourism policy and planning in Sub Saharan Africa and provides some interesting recommendations on how these could be overcome Tourism is currently growing faster in Sub Saharan Africa SSA and in many other developing regions compared to the rest of the world Using case examples from different segments of the tourism sector in different country contexts this volume therefore reassesses context specific

tourism policies and planning mechanisms in SSA over the years It considers how the increasing focus on sustainability is reflected in different areas of the tourism sector including food security the human capacity management service delivery local communities and heritage management climate change and the influence of colonial legacies on tourism policy planning For many SSA countries it has only been in the last two decades that the development of sustainable and achievable context specific policies and planning mechanisms has become the norm The chapters provide examples of how different dimensions of sustainability are integrated into tourism policy and practice and examine the extent to which these are shaping the present and their implications for the future sustainability of the tourism sector Sustainable Tourism Policy and Planning in Africa will be of great value to academics private and third sector employees to better understand tourism in Sub Saharan Africa Eight of the chapters were originally published as a special issue of Tourism Planning and Development These are now complimented with a new introductory chapter and a concluding chapter that sets out a future research agenda for sustainable tourism policy and planning
