

## 3-1 Discussion: Analyzing the Los Reyes Hospital Case Study

After reading and analyzing the [Los Reyes Hospital Case Study](#), discuss the importance of departmental budgets and the discoveries you made from exploring the Los Reyes Hospital case. Which responsibility is yours: describe the consequences of poor budgetary decisions? To complete this assignment, review the [Discussion Prompt PDF](#) document.

Departmental budgeting efforts were limited when spending at the department level, allowing teams to analyze performance in a granular way. However, could this management tool be used to save additional or produce new ideas?

### How Departmental Budgeting Fits into the Big Picture

[View the departmental budgeting video.](#)

Departmental budgeting is a management technique for determining fixed budgeting and controlling activities that establish financial goals for the entire organization. Each year the executive board sets the departmental budgeting and spending program. Management at each department will implement the goals of the departmental budget. This tool allows management to control the financial activities of the organization. Departmental budgeting is used to manage the organization's activities and to ensure that the organization is operating within the budget. The budget is a financial plan that shows the organization's financial goals and the resources needed to achieve them.
