Love In A Lockup English Edition:

Women We Love SooJin Lee, Kate Korroch, Liew Kai Khiun, 2023-09-19 *Women We Love* Femininities and the Korean Wave is an edited volume exploring femininities in and around the Korean Wave since 2000. While studies on the Korean Wave are abundant, there is a dearth of thought put toward the female identifying stars, characters, and fans who shape and lead this crucial cultural movement. This collection of essays is one of the first works to focus on gender and the key female actors of this global phenomenon. Using women as an inclusive term extending to all those who self-define as women, this volume examines the role of women in K-pop and K-drama industries and fandom spaces encompassing crucial intersectional topics such as queering of gender, dissemination of media, and fan culture. In addition to the communities engaged with visual culture of the Korean Wave, the audience for *Women We Love* will reflect the contributors to this text. They are K-pop and K-drama fans, queer international, they are also academics of Asian histories, sociology, gender, and sexuality, art history, and visual culture. The chapters are playful, intersectional, and will be adapted well into syllabi for media studies, gender studies, visual culture studies, sociology, and contemporary global history. *Women We Love* goes far beyond the dyad of the flower boy Hallyu star and his female fan to offer readers an illuminating discussion of plural femininities in the Korean Wave since the turn of the millennium. The essays will answer many burning yet heretofore unanswered questions about the affective resonances and political significance of Korean popular culture's gender dynamics, which have fascinated, puzzled, and at times frustrated many fans and observers. Rigorously interdisciplinary yet grounded in textual detail, historical context, and material reception practices, this is a timely and valuable contribution to the study of gender, fandom, and global media. Michelle Cho, University of Toronto. This is a provoking and fascinating book, one of the most awaited books in Hallyu studies. Drawing from a multitude of feminist theories and case studies, this edited volume not only provides captivating and much needed discussions but also critically expands the current debates in gender studies, feminism studies, and fan studies. This book is vital literature for researchers, students, and practitioners who are willing to advance their understanding of the Korean Wave from a new scope and angle. Dal Yong Jin, Simon Fraser University. **Jail Journal** Nancie Wiseman Attwater, 2019-10-23. This is a story of sewing, but it is also the story of the female inmates that Nancie Wiseman Attwater taught at a county jail. She went to the jail to teach sewing, but she learned patience, understanding, and acceptance. She also ended up helping inmates learn manners, language, math, English, and geography, often without even realizing it. While teaching, she met women who became her girls, gang members, murderers, shoplifters, burglars, robbers, car thieves, pedophiles, immigration detainees, and prostitutes. She taught inmates over eight years in an environment that most people never see. During that time, she heard incredible stories of survival from women who lived on the streets, found work without legal documentation, or battled a drug habit. She became more convinced than ever that their lives matter and their stories need to be heard. Join young and vibrant women as they learn valuable lessons by connecting with the author and spending time at
