Family Guide Dee Hoodith,2011-06-01 This book is about finding your way back discovering everything you need to know so as to keep love and happiness flowing smoothly while enjoying life unto the end It is about the journey of man and woman for unification and satisfaction of passionate love and for the choosing of a lifelong partner Through playful teasing you can and will accentuate the enjoyment but it must also be tolerated only to a point Hence it will connect you to the missing links on love courtship marriage sex and post marriage These contributing factors constantly reminds us that man and woman are different from other animals and it is the fundamental instinct which brings them together It is the de coilable magnet within the hearts of the human race In addition I must place great emphasis when there is imminent danger through misunderstanding in a broken home why not look right back at the courtship days which was filled with the abundance of valuable materials to avoid a broken home Thus with the knowledge and understanding of my work in this book you can unite with Love and overcome heart break and despair Meissonier Octave Gréard,1897
