the first century AD originally given by God more than a millennium earlier Are these commands still applicable in our twenty first century lifestyles Do we really need to love the Lord and love my neighbor If so do we even know who God and our neighbors are In Who is My Neighbor as Defined by Christ author Denoise P Sullivan Jr addresses a host of questions Who exactly is my neighbor Do I need to treat everyone as my neighbor What does treat someone as a neighbor even mean What does it look like to love myself and to then transfer that love to my neighbor What does fellowship and communion with God mean How does fellowship eventually lead to you seeing others as Christ sees them This guide delves into what the Bible says about loving your neighbor and how Jesus taught and still teaches about this key commandment Sullivan encourages you to see your neighbors through Jesus eyes and strive for a more loving equitable society The Neighbor Slavoj Žižek, Eric L. Santner, Kenneth Reinhard, 2013-07-12 In Civilization and Its Discontents Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19 18 and then elaborated in Christian teachings to love one s neighbor as oneself Let us adopt a naive attitude towards it he proposed as though we were hearing it for the first time we shall be unable then to suppress a feeling of surprise and bewilderment After the horrors of World War II the Holocaust and Stalinism Leviticus 19 18 seems even less conceivable but all the more urgent now than Freud imagined In The Neighbor three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory Their three extended essays explore today s central historical problem the persistence of the theological in the political In Toward a Political Theology of the Neighbor Kenneth Reinhard supplements Carl Schmitt s political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis In Miracles Happen Eric L Santner extends the book s exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig And in an impassioned plea for ethical violence Slavoj i ek s Neighbors and Other Monsters reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought A rich and suggestive account of the interplay between love and hate self and other personal and political The Neighbor has proven to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity This new edition contains a new preface by the authors Spirituality and Human Nature Donald Evans, 1993-01-01 Evans philosophy U of Toronto discusses spirituality and depth psychology being open and closed loving oneself sexuality and therapy and spirituality in connection with skepticism positivism and the paranormal positivism and the genuinely spiritual ethics mystical humanism and morality go **Who Is My Neighbor?** Wayne Gordon, 2010-10-20 An expert in the law once asked Jesus what he must do to inherit eternal life and his question initiated a very interesting conversation The Law says to love your neighbor as yourself Jesus pointed out so the next logical question is Who is my neighbor Rather than offering an exhaustive list of neighbors and non neighbors Jesus told a story the Parable of the Good

Samaritan Out of that famous parable Dr Wayne Gordon draws more than forty characteristics of the man who was beaten robbed and left for dead on the road to Jericho the character Jesus created to show Christians how to recognize their neighbors Dr Gordon brings that character vividly to life in *Who Is My Neighbor* and helps readers use Jesus parable as a reference point for their interactions in their community and the world And as readers catch Jesus vision of neighborliness they will also find practical suggestions for meeting needs and changing the lives of those around them that is their neighbors
