Mean Streak Sandra Brown, 2014-08-19 In this New York Times bestselling thriller a doctor is kidnapped in the mountain wilderness after a fight with her husband and as the FBI closes in she must make dangerous choices to survive Dr Emory Charbonneau a pediatrician and marathon runner disappears on a mountain road in North Carolina minutes after

an argument with her husband Jeff But by the time he reports her missing the trail has literally gone cold Fog and ice encapsulate the wilderness and freeze the search While police suspect Jeff of instant divorce Emory regains consciousness only to find herself the captive of a man whose violent past is so dark he won't even tell her his name She's willing to take any risks necessary to survive But before she can escape the two encounter dangerous people who adhere to their own code of justice A desperate young woman is caught at the center of a dispute and Emory can't bring herself to look the other way even if it means breaking the law Rising tension and barely restrained passion blurs the lines between right and wrong and Emory begins to wonder if the man with no name is the one who has rescued her from death and from heartbreak Combining the nail biting suspense and potent storytelling that has made Sandra Brown one of the world's best loved authors **Mean Streak** is a wildly compelling novel about love deceit and the choices we must make when our lives are on the line **The Thrill of Victory** Sandra Brown, 2018-03-06 Forget everything you've ever heard about technique Kiss me the way you think a bad girl would and we'll both have a much better time Sportswriter Judd Mackie has earned fame with his scathing columns Women's tennis pro Stevie Corbett is a favorite target of his sarcastic prose In his view she's too focused on being a cute crowd pleaser to be taken seriously as an athlete on the court What Stevie's nemesis doesn't know is that she's suffering a medical condition that's all too serious and potentially ruinous to her career When Judd uncovers the sensational story he recognizes it as one that comes along only once in a lifetime but telling it would cost him the woman he now doesn't want to live without **Tomorrow's Promise** Sandra Brown, 2017-05-25 I met a man a wonderful man He kissed me touched me like no other man ever has I think I've fallen in love What am I going to do about it That's the dilemma confronting Keely Preston upon meeting dashing Congressman Dax Devereaux The attraction between them was like a lightning strike hot and unexpected But also terribly inconvenient Keely is in Washington D C to appeal to a congressional committee on behalf of families of soldiers Missing In Action Serving on that committee is Dax Both are under close scrutiny What has sparked between them is difficult to keep secret After twelve years of living in limbo married but alone Keely is reawakened to desire by Dax's passion But he also touches her heart where she has preserved the sweet memory of her husband One love represents her past another her future Will clinging to one mean having to sacrifice the other **The Devil's Own** Sandra Brown, 2017-11-02 Of the lot this man was still her best bet He not only looked the most inebriated but the most disreputable lean and hungry and totally without principle Once he was sober he would no doubt be easy to buy Sister Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man more particularly a mercenary Linc O Neal wasn't the soldier of fortune Kerry mistook him for but he proved to be just as dangerous and twice as unscrupulous Linc agrees to help Kerry rescue a group of children from a ruthless dictator but his motivation is far from noble If they survive what appears to be a suicide mission he plans to take Kerry's promised fifty thousand dollars in addition to her body which she provocatively advertised in order to trick him then withheld With innocent lives at stake malevolence

and distrust all around and forbidden desire simmering between them the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate Struggling against all odds to stay alive they discover that their real challenge is to fight the devil within *A Secret Splendor* Sandra Brown,2018-01-30 his eyes met hers in the mirror They were dark and smoldering like the purest of blue flame And in her own eyes was the glassy sheen of desire Arden Gentry went to the lush island of Maui for the specific purpose of ingratiating herself into Drew McCasslin s world The dashing widower who had bitterly grieved the death of his wife is ready to tackle life again and believes that his meeting with Arden is fortunate happenstance He and his young son Matt are drawn to Arden s warmth and tenderness and both open their wounded hearts to her But even as the passion between Drew and Arden intensifies and points toward love she s harboring the secret of their inextricable bond which could also rip them apart **Above and Beyond** Sandra Brown,2017-05-25 Give up while you re ahead ol boy She doesn t want you Then he remembered the passion of her kiss the taste of her mouth the scent of her hair the feel of her skin beneath his hands and he knew he wasn t about to give up While serving his country Trevor Rule experienced the wrenching heartache of losing his best friend in a brutal attack His grief is coupled with guilt when he falls in love with that friend s wife by reading letters she d written to her husband Kyla gave birth the same day she learned that her husband had been killed in a terrorist assault on Marine barracks That was almost two years ago Now Kyla is struggling to rear her son alone and wrestling with the longing generated by the handsome stranger who fortuitously enters their lives Except Trevor s entrance into Kyla s life isn t accidental He has sought her out not only because he feels he owes her and her child a debt he can never repay but also because he remembers the impassioned words she wrote to her husband Which Trevor took to heart Will her growing love be strong enough to forgive his deception Led Astray Sandra Brown,2017-09-05 LED ASTRAY And once he had kissed her felt the responding warmth of her body beneath his hands there had been no turning back What he had done had been unforgivable But what he was going to do was almost as bad Cage and Hal Hendren are as unlike as two brothers can be Preacher s kids Hal has taken the righteous path while Cage is the unrepentant black sheep of the family The only thing they have in common is their love for the same woman Jenny Fletcher Jenny loves Hal for his commitment to his calling but deep in her heart of hearts she wishes his desire for her burned as hotly Only on the eve of his departure for a dangerous mission trip to Central America when he comes to her bed in darkness and secret does he take her with unexpected passion When tragedy strikes and Hal is lost to her it s that night that Jenny cherishes that Hal she misses She yearns for that lover whose unbridled sensuality more resembled Cage For Jenny Cage is willing to give up his wild ways But to get on the straight and narrow he must sin again **Two Alone** Sandra Brown,2017-12-05 Damn her His body was still on fire Damn her why had she responded that way So honestly With no coyness No affectation Her mouth had been so receptive Her kisses so generous Her breasts so soft Only two survive the small plane crash in the Canadian wilderness miles from civilization Rusty Carlson a real estate agent from Beverly Hills who

has never faced anything more perilous than L A s rush hour traffic and Cooper Landry an embittered Vietnam veteran who has endured the horrors of warfare and a POW camp Rusty wouldn t have believed herself capable of dragging her unconscious fellow passenger from the wreckage but that was only the first challenge confronting her The man himself is as hostile and unforgiving as the mountainous terrain in which they re stranded If they had a choice they would go their separate ways But they don t If they want to live they must stay together Teamed against the harsh elements injury and a pair of conniving cutthroats Rusty and Cooper must rely on each other in order to survive In a one room cabin they find shelter but as winter closes in they have no protection against the sexual attraction that becomes the real test of their fortitude Within those four rough walls Rusty discovers that Cooper s brusqueness arises from immeasurable heartache and to Cooper s dismay his credo of No romance no love no thanks becomes his desperate chant to ward against Rusty s allure
