ruthless motorcycle outlaw club in the world and she's in Galveston Island to watch over the national expansion of her business. Bo's assigned to the task force looking to take her down and Cass plans on making sure Bo keeps her nose out of club business. But the clues aren't adding up and the attraction surging between them only makes things more dangerous. When Bo stumbles on a secret far more threatening than anyone anticipated, a stranger in the shadows wants payback. Bo and Cass are on opposite sides of the law and their battle of wills may not only decide their chances at love but also their fate.

Inside Gossip Alexis Sisco, 2023-03-20 *Inside Gossip* By Alexis Sisco About the Book Written from an observer's point of view *Inside Gossip* follows the story of Tova who faces the brunt of the gossip from just about everyone all while trying to remain in touch with her own life. On the surface her life seems boring and mediocre but with her crazy cousin's wild ways and her husband's huge secret Tova gets overwhelmed quickly. Seems like everyone's gossip is suddenly changing HER life but is it for the best? Imagine walking into a room where your circumstances aren't your choices. Welcome to *Inside Gossip* where things can get real.

The Passage Phillip M Vitti, 2012-03-07 Journey with the author through the labyrinth of Boston's once infamous Combat Zone, a four block area of concentrated crime, vice and pathos. Peer into the murky world and inner workings of organized crime, prostitution, gaming, pornography and bookmaking. Trace the rudimentary beginnings of his undercover personality known as Mike Russo whose persona would last a decade. Mike Russo would evolve from a flat, unidimensional observe and report investigator into a fully immersed and developed character, a free floating, socially conscious intellectual type with strong feelings against the war in Vietnam and a propensity towards political radicalism. Traits sorely needed for the specialized intelligence gathering that would enable the cops to stay one step ahead of the disruptive elements of the social protest era being violently played out in the streets of Boston and Cambridge. In the end the author would collide with his pseudo self forcing him to confront his own conscience and choose not between right from wrong but right from right. This book ends on a soul searching and highly dramatic note. He lived this life.

Secret Narco Wensley Clarkson, 2020-07-16 This is the extraordinary story of how Charlie Wilson, renowned as one of the leaders of the Great Train Robbery gang, turned his back on so called traditional crime to become the underworld's original narco by helping to mastermind a multi billion dollar drugs network in partnership with the original cocaine cowboy Pablo Escobar. Wilson secretly helped turn cocaine into the Western world's number one recreational drug of choice. *Secret Narco* unravels the bullet riddled, never before told history of South Londoner Wilson's cocaine empire and his forays into the deadliest killing fields of all South America. Bestselling author Wensley Clarkson's meticulously researched story features interviews with many of Wilson's friends, family members and enemies on both sides of the law, enforcement divide as well as associates of Pablo Escobar. *Secret Narco* also reveals the final, tragic circumstances behind Wilson and Escobar's bloody deaths and how their twisted partnership proved that gangsters never rest in peace.

Cops: A Story of Honor, Sex & Tragedy Samuel

Turner,2012-11-12 L A Cops is primarily a work of fiction with a few exceptions the names of my characters as well as most of the cities and counties in the San Joaquin Valley are figments of my imagination If the reader believes that I have written about actual places as well as real crimes that is his right to do so I can only say in my defense that all writers have stored in their memory cells recollections of actual events and frequently borrow from those storage banks ideas that eventually go together to make up a story or even an entire novel That s how writers of fiction make a living unless the work is pure science fiction the more closely it resembles real life situations the more likely it will sell because we all experience something inside when we can relate to the characters events or locales in a story I have used real situations and in several instances actual places in the chapters that deal with World War II Of course built within that framework I ve taken the liberty to make my characters more colorful gallant or tyrannical than may have been the actual case I wasn t old enough during that period to have had personal experiences of this nature but some of the military individuals I ve introduced you to may approximately match some that I ran into during my own years in the Air Force After all no one period in time has its own special hold on good decent people nor on those who have made life less than great for those they have come in contact with You will find both types playing important roles in my book Narcomedia Jason Ruiz,2023-10-10 Exploring representations of Latinx people from Scarface to Narcos this book examines how pop culture has framed Latin America as the villain in America s long and ineffectual War on Drugs TV Guide ,2006 *Naked Truth* Judith Lynne

Hanna,2012-05-01 Across America strip clubs have come under attack by a politically aggressive segment of the Christian Right Using plausible sounding but factually untrue arguments about the harmful effects of strip clubs on their communities the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry But an even larger agenda is at work according to Judith Lynne Hanna In *Naked Truth* she builds a convincing case that the attack on exotic dance is part of the activist Christian Right s grand design to supplant constitutional democracy in America with a Bible based theocracy Hanna takes readers onstage

backstage and into the community and courts to reveal the conflicts charges and realities that are playing out at the intersection of erotic fantasy religion politics and law She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs Hanna also demonstrates that while the fight happens at the local level it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture based moral values Ultimately she argues the naked truth is that the separation of church and state is under siege and our civil liberties free speech women s rights and free enterprise are at stake *Poor Things* Lennard J. Davis,2024-10-11 For generations most of the canonical works that detail the lives of poor people have been created by rich or middle class writers like Charles Dickens John Steinbeck or James Agee This has resulted in overwhelming depictions of poor people as living abject violent lives in filthy and degrading conditions In *Poor Things* Lennard J Davis labels this genre poornography distorted narratives of poverty written by and for the middle and upper classes Davis shows how poornography creates harmful and dangerous stereotypes that build barriers to social justice and change To remedy this Davis argues poor people should write realistic depictions of themselves but because of representational inequality they cannot Given the obstacles to the poor accessing the means of publication Davis suggests that the work should at least for now be done by transclass writers who were once poor and who can accurately represent poverty without relying on stereotypes and clichés Only then can the lived experience of poverty be more fully realized
