Gospel Mark Study Guide Cog:

Mark Bible Study Guide Jeff Manion, 2021-03-30 Mark's gospel has an urgency to it that's hard to ignore. It's as if he is breathless trying to get the information out as quickly as he can. A few decades have passed since Jesus' ministry and with persecution intensifying, some believers were tempted to compromise or simply give up on being a follower of the Messiah. So Mark needed to take the early Christians back to the basics and get them ready to move. In this six-session study DVD video streaming, not included, pastor Jeff Manion takes you and your group through the gospel of Mark to answer such urgent questions about the Christian faith as: Who is this Jesus? What does he expect of me? Is suffering a normal part of the Christian life? What will encourage and strengthen my trust in Jesus? These questions are not born of a lack of faith but serve to strengthen and stabilize our relationship with the Savior. So lace up your running shoes. Open your heart and mind. And come with your questions. Get ready to move as Mark's Gospel reveals what it means to follow Jesus. 40 Days Through the Book series. Each of the studies in this series, taught by a different pastor or Bible teacher on a specific book of the Bible, is designed to help you more actively engage with God's Word by understanding its background and culture and applying it in a fresh way to your life. Throughout each study, you'll be encouraged to read through the corresponding book in the New Testament at least once during the course of 40 days. Designed for use with the Mark In the Company of Christ Video Study, available on DVD or streaming video, sold separately. **Mark: An Introduction and Study Guide** Abraham Smith, 2017-01-12 This Guide reads the Gospel of Mark as a 1st century CE story about Jesus for his followers and against tyranny or the abusive use of power. First, the book shows students how the Gospel uses the form of a traditional laudatory biography, a Life to reshape the memory of the shame-ridden trials and suffering of Jesus. Such a biography portrayed Jesus' descent as a son of God, his deeds, and his heroic death, dispelling any notion that the teacher Jesus was a charlatan or huckster. Second, Smith demonstrates how the Gospel devotes a great deal of space to Jesus' training of his disciples as he calls, commissions, and corrects them in preparation for the difficult moments of their journey. Third, Smith highlights the Gospel's special characterizations of Jesus as a prophetic envoy, a man of authority, and a philosophical hero, contrasting Jesus' use of power with the abusive use of power by Rome's representatives, Herod Antipas and Pilate. **Focus on Mark** Robert Schwenck, 1996-04-01 Focus on Mark is part of the Focus Bible Study Series, which contains studies of Matthew, Mark, Luke, and John. The Focus Bible Study Series is the perfect guide for in-depth scripture study. Each book in the series includes informative commentary, thought-provoking study questions, and experiential group activities that encourage a deeper understanding of scripture. The journal format has lots of space for writing and encourages personal reflection and spiritual growth. The Focus Bible Study Series is ideal for individual or group study and reflection, adult classes, small faith communities, retreats, and midweek Bible study groups. Each book features thought-provoking study questions with space for written responses, a wealth of ideas to promote prayer and journal meditations that build faith and understanding of the

scriptures Numerous suggestions for activities that promote experiential learning and meaningful discussion to encourage spiritual growth
