Final Examination Study Guide

There final exams will be in two parts. The first part (40%) will be multiple choice questions. They will be taken from lectures you have already seen throughout the class, so it will prepare you for the questions and format that the students you meet along the way, preparing for the final part accordingly. The second part will consist of two essay questions based on some of the bigger concepts covered throughout the course (60%). You will have a choice of questions from which you can select what to write, so students can play to their strengths. You will also be asked upon to show how your understanding of material from modules are connected (and discussed) to others.

Potential material students could test in the essay questions (although for the final essay test)
