Human rights are there to protect all people - no matter who they are, where they are from or how they choose to live their life.

Read the human rights in each box. Draw a picture of British life to show how the human right can be seen working in our country, for example, you might draw a picture of your family going on holiday for the human right 'freedom to move'.

<p>Protected by the Law We all have a right to be treated fairly by the law.</p>	
<p>Private Space We all have a right to privacy. Nobody has the right to come into our home or bother us or our family without a good reason.</p>	
<p>Freedom of Movement We all have a right to go where we want to and work, study and to travel as we wish.</p>	
<p>Freedom of Thought We all have a right to believe in what we want, to have a religion or not, have as many friends as we want.</p>	
<p>Equal Treatment We all have a right to a good life and all people have the right to be treated fairly.</p>

Human Rights Lesson Grade 5:

Common Core Nicholas Tampio, 2018-03-01 How the Common Core standardizes our kids education and how it threatens our democracy The Common Core State Standards Initiative is one of the most controversial pieces of education policy to emerge in decades Detailing what and when K 12 students should be taught it has led to expensive reforms and displaced other valuable ways to educate children In this nuanced and provocative book Nicholas Tampio argues that though national standards can raise the education bar for some students the democratic costs outweigh the benefits To make his case Tampio describes the history philosophy content and controversy surrounding the Common Core standards for English language arts and math He also explains and critiques the Next Generation Science Standards the Advanced Placement US History curriculum framework and the National Sexuality Education Standards Though each set of standards has admirable elements Tampio asserts that democracies should disperse education authority rather than entrust one political or pedagogical faction to decide the country s entire philosophy of education Ultimately this lively and accessible book presents a compelling case that the greater threat to democratic education comes from centralized government control rather than from local education authorities

Language, Development Aid and Human Rights in Education Zehlia Babaci-Wilhite, 2016-02-22 The debate about languages of instruction in Africa and Asia involves an analysis of both the historical thrust of national government and also development aid policies Using case studies from Tanzania Nigeria South Africa Rwanda India Bangladesh and Malaysia Zehlia Babaci Wilhite argues that the colonial legacy is perpetuated when global languages are promoted in education The use of local languages in instruction not only offers an effective means to contextualize the curriculum and improve student comprehension but also to achieve quality education and rights in education

The Education Systems of Europe Wolfgang Hörner,Hans Döbert,Botho von Kopp,Wolfgang Mitter,2007-05-03 Education is a paradoxical phenomenon On the one hand it is universal as since the period of Enlightenment it has been declared universal good for everybody Moreover we learnt by historical research following the ideas of world system theory that since this time as far as its main structures are concerned compulsory state education given by professional teachers in classrooms it took even universal traits However on the other hand the fact that education became state education organised or at least controlled by the state was the beginning of another tradition line education in the form of state organised educational institutions became a means of creating national identity Universal inclusion as for the light of reason shining for everybody is opposed to more or less nationalist exclusion of all the others shaping the feature of a particular nation state with a particular educational system This fundamental dialectical tension between the universal and the particular was one to the important motives to make this handbook One of the central issues of the country studies is precisely to display the relationship between universal values and the search for national identity Another motive is given by the European dimension of the handbook

Redefining Genocide Doctor Damien Short,2016-06-15 In this highly controversial and original work Damien Short systematically rethinks how genocide is and should be defined Rather than focusing solely on a narrow conception of genocide as direct mass killing
