May,2017-12-12 An award winning historian argues that America s obsession with security imperils our democracy in this compelling portrait of cultural anxiety Mary L Dudziak author of War Time For the last sixty years fear has seeped into every area of American life Americans own more guns than citizens of any other country sequester themselves in gated

communities and retreat from public spaces And yet crime rates have plummeted making life in America safer than ever Why then are Americans so afraid and where does this fear lead to In this remarkable work of social history Elaine Tyler May demonstrates how our obsession with security has made citizens fear each other and distrust the government making America less safe and less democratic Fortress America charts the rise of a muscular national culture undercutting the common good Instead of a thriving democracy of engaged citizens we have become a paranoid bunkered militarized and divided vigilante nation

[The End of Detroit](#) Micheline Maynard,2003-09-23 An in depth hard hitting account of the mistakes miscalculations and myopia that have doomed America s automobile industry In the 1990s Detroit s Big Three automobile companies were riding high The introduction of the minivan and the SUV had revitalized the industry and it was widely believed that Detroit had miraculously overcome the threat of foreign imports and regained its ascendant position As Micheline Maynard makes brilliantly clear in THE END OF DETROIT however the traditional American car industry was in fact headed for disaster Maynard argues that by focusing on high profit trucks and SUVs the Big Three missed a golden opportunity to win back the American car buyer Foreign companies like Toyota and Honda solidified their dominance in family and economy cars gained market share in high margin luxury cars and in an ironic twist soon stormed in with their own sophisticatedly engineered and marketed SUVs pickups and minivans Detroit suffering from a good enough syndrome and wedded to ineffective marketing gimmicks like rebates and zero percent financing failed to give consumers what they really wanted reliability the latest technology and good design at a reasonable cost Drawing on a wide range of interviews with industry leaders including Toyota s Fujio Cho Nissan s Carlos Ghosn Chrysler s Dieter Zetsche BMW s Helmut Panke and GM s Robert Lutz as well as car designers engineers test drivers and owners Maynard presents a stark picture of the culture of arrogance and insularity that led American car manufacturers astray Maynard predicts that by the end of the decade one of the American car makers will no longer exist in its present form

**The Overlanding Vehicle Builder's Guide** Don Alexander,2024-03-15 What is overlanding Wikipedia states Overlanding is self reliant overland travel to remote destinations where the journey is the principal goal Typically but not exclusively it is accomplished with mechanized off road capable transport from bicycles to trucks where the principal form of lodging is camping It often lasts for extended periods of time months to years and spans international boundaries Overlanding did not originate in America and it is a little different here You would be hard pressed to find a bicycle out in the desert and most people don t stay out there quite that long However the spirit of the activity is the same Do you want to give overlanding a try Great You will need some gear In The Overlanding Vehicle Builder s Guide veteran racer off roader and journalist Don Alexander provides a terrific overview of what to consider when building your overlanding rig This includes the planned duration of the trip the number of people in your party how far off the beaten path you want to go and the creature comforts you require Understanding those wants and needs shapes what gear you need for the best experience Covered are the strengths and weaknesses of the types of vehicles

themselves modifications to the vehicles to make them more capable accessories lighting camping gear food and water storage etc and equipment for trail mishaps and recovery Driving techniques and trail rules and etiquette are also included If you are ready to build a rig or just want to know more about the hobby this book is a great guide to help you get started

**Cities Under Siege** Stephen Graham, 2011-11-01 Cities are the new battleground of our increasingly urban world From the slums of the global South to the wealthy financial centers of the West Cities Under Siege traces the spread of political violence through the sites spaces infrastructure and symbols of the world s rapidly expanding metropolitan areas Drawing on a wealth of original research Stephen Graham shows how Western militaries and security forces now perceive all urban terrain as a conflict zone inhabited by lurking shadow enemies Urban inhabitants have become targets that need to be continually tracked scanned and controlled Graham examines the transformation of Western armies into high tech urban counter insurgency forces He looks at the militarization and surveillance of international borders the use of security concerns to suppress democratic dissent and the enacting of legislation to suspend civilian law In doing so he reveals how the New Military Urbanism permeates the entire fabric of urban life from subway and transport networks hardwired with high tech command and control systems to the insidious militarization of a popular culture corrupted by the all pervasive discourse of terrorism

Masters,E. Dauphinee,2016-09-23 The contributors explores the intellectual cultural and political logics of the US led war on terror and its consequences on lived lives in a range of contexts The book interrogates the ways in which biopolitical practices hinge on political imaginaries and materialities of violence and death Red Reckoning Mark Boulton,Tobias T. Gibson,2023-11-15 Though it ended more than thirty years ago the Cold War still casts a long shadow over American society Red Reckoning examines how the great ideological conflict of the twentieth century transformed the nation and forced Americans to reconsider almost every aspect of their society culture and identity Using an interdisciplinary approach the volume s contributors examine a broad array of topics including the Cold War s impact on national security race relations gun culture and masculinity law college football advertising music film free speech religion and even board games Above all Red Reckoning brings a vitally important era back to life for those who lived through it and for students and scholars wishing to understand it *Weekly World News* ,2002-08-06 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site Civilized Violence David Hansen-Miller,2016-05-23 Civilized Violence provides a social and historical explanation for the popular appeal of cinema violence There is a significant amount of research on the effects of media violence but less work on what attracts audiences to representations of violence in the first place Drawing on historical sociology cultural studies feminist and queer theory masculinity studies and textual analysis David Hansen Miller explains how the exercise of violence has been concealed and denied by modern society at the same time that it retains considerable power over how we live our lives He demonstrates how discourses of sexuality and gender even romantic love are freighted with the micropolitics of violence Confronted with such contradictions audiences are drawn to the cinema where they can see violence graphically restored to everyday life Popular cinema holds the power to narrate and interpret social forces that have become too opaque diffuse and dynamic to otherwise comprehend Through

detailed engagement with specific narratives from the last century of popular film The Cabinet of Dr Caligari The Sheik Once Upon a Time in the West Deliverance and the pervasive violence of contemporary cinema Hansen Miller investigates the manner in which representations can transform our understanding of how violence works      **Tourists of History** Marita Sturken, 2007-11 Study of how the memorials created in Oklahoma City and at the World Trade Center site raise questions about the relationship between cultural memory and consumerism
