Edgewater Angels Sandro Meallet,2007-12-18 Set in the projects of Los Angeles California Edgewater Angels chronicles the adolescence of Sunny Toomer a streetwise young man endlessly sandwiched between the right and wrong thing to do In a neighborhood where an absentminded stare might be mistaken for a silent challenge for turf and asking someone if they have a problem may cost you your life Sunny ekes out survival amidst an incomparable cast of characters including a husbandless mother violence prone uncles and a cadre of strangely endearing

men either headed for jail or out on parole Written in original riff like prose Meallet gives us a unique story that is serious yet playful daring in aim and absolutely captivating Darkness Rising 2003 L. H. Maynard,M. P. N. Sims,2003-06-01

Chasing the Sunset Hope Epting Loschak,2025-10-01 What if your dreams didn t disappear they were just waiting to be found Lucy is trapped in a life that no longer fits On the outside she s holding it together On the inside she s unraveling Then one impulsive decision changes everything Enter Gabe her Vision Catcher an enigmatic guide sent to help her rediscover the dreams she s forgotten and the self she buried Swept into a mysterious 40 day Vision Quest Lucy must confront the voices of doubt untangle her past and fight for a future shaped by her own truth But as she uncovers sabotage within the very system meant to protect her the journey becomes bigger than just her healing It becomes a quest to reclaim the light for others too Chasing the Sunset is a novel that blends emotional truth contemporary magic and a fiercely hopeful heart Perfect for fans of The Midnight Library The Alchemist and Big Magic *The Poker Book* Pearleen Harvey,2013-10-21 There are many other poker games I could write another volume on the wild card games alone Basically the play is similar to the popular games so far discussed Any good player will soon figure a new game to his advantage Never get into a game that is new to you and play for high stakes You could lose a fortune until you have the game analyzed My greatest single contribution to your success as a poker player is the advice and knowledge about chicanery in a large majority of poker games This was not written in this way to make a story It is a fact After many and varied associations with hustlers both profitable and otherwise I have formed an unshakable opinion 99 percent are the dregs of humanity They would steal or cheat their own mothers Honor and principle are words that have no meaning to them Of all associations only two ever proved trustworthy These two are my friends to this day And I am a friend of theirs Anything I have they can have They are the same with me The others they would borrow money never intending to pay back They may hide the money that was to be split then claim we never won that amount Many a good paying partnership was broken off by me for these reasons The greedy hustlers lost more by being left out of the action than was ever gained by chiseling me If ever a hustling operation is exposed you may bet your family jewels some jealous hustler has a finger of suspicion on it Consequently by my exposing the many and varied means of bilking the public I do not believe I am doing harm to any deserving segment of society This is my way of relieving my conscience for taking advantage of the very few of you who deserve sympathy Perhaps in some measure I can return your losses by passing on the kind of information that will save or make money for you in the future After all if you are equally informed who has the advantage
