find ways to deal with the millions of expected refugees Lee Garrett s knowledge of his hometown makes him a valuable asset to one of the many small teams needed for control of the choke points out of Los Angeles The small town of Agua Dulce lies directly in the path of desperate people trying to flee the chaos of the big city Lee agrees to join a small force of soldiers Flown to Agua Dulce on military choppers Lee and Jake build a small but capable force of professionals and volunteers The soldiers police and volunteers band together helping the needy and fighting those who wreak havoc The situation goes from difficult to worse when a major terrorist cell heads toward Agua Dulce setting the stage for a major battle between good and evil The story does not end with this first book
