Paper 1 - UK Geographical Issues - Fieldwork - Work Booklet

Topic

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

The earthquake in Haiti destroyed the primary water supply from the river?

The first part of this response is positive although there is a hint that it would be difficult to answer this question. The second part of the response is positive about the river and the earthquake. The third part of the response is positive about the river and the earthquake. The fourth part of the response is positive about the river and the earthquake.

Do not leave things unsimplified. Having spent time with a hypothesis in mind, the student should be able to explain the hypothesis.

12. Suggest how the use of a simple survey (e.g. map) might help to explore the hypothesis. Suggest how the use of a simple survey (e.g. map) might help to explore the hypothesis. Suggest how the use of a simple survey (e.g. map) might help to explore the hypothesis.

The map shows the location of the river and the earthquake. The map shows the location of the river and the earthquake. The map shows the location of the river and the earthquake.

There is a strong link between the river and the earthquake. The river is a major source of water for the population. The river is a major source of water for the population. The river is a major source of water for the population.
