Reason of the Hope Ronie F. Magcamit, 2020-04-08 For many years the secular world has treated the word faith as a jargon that cannot be proven by anything tangible People who still believe in God are considered unreasonable and lack understanding of the real world Sadly some Christians who join churches rely on blind faith with no or very minimal ability to defend their beliefs when they get cross examined by a non believer In Reason of the Hope author Ronie F Magcamit focuses on ten major faith related topics or issues asked by young Christians and secular people He discusses the reliability of scriptures creation versus evolution end time events reformation ten commandments apologetics life and miracles of Jesus teachings in parables the resurrection of Christ and the second coming of Jesus Ronie presents some of the usual objections to Christianity and provides practical responses for a new generation of Christians Reason of the Hope encourages you to build your faith in Christ and enables you to help others build their faith as well

Unchaining the Lion Caleb Eissler, 2015-10-16 Does God exist How can a good God allow pain and suffering Can we trust the Bible Is Jesus a copy of earlier pagan gods Is Jesus the only way to God What does the Bible actually say about homosexuality transgenderism and abortion Did Jesus actually rise from the dead After living as a strong Christian for most of his life Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to When he entered college he began wrestling with these very

questions Eissler realized that Christianity had to answer these questions and more if it was to be taken seriously. Ready to walk away from his faith if Christianity was found to be false, he embarked on a journey to find the truth. After years of research, Eissler's faith wasn't just sustained but transformed. He not only found the claims of Christianity to be true but also to be even more amazing than he had ever imagined. Eissler's doubt, research, and soul searching fueled a new passion to help others rationally think through the same questions he had encountered. *Unchaining the Lion* is the culmination of Eissler's research and passion. *Unchaining the Lion* sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity while addressing countless objections and questions along the way. To non-believers, Eissler provides a coherent and easy-to-follow explanation of the beliefs and the defenses of Christianity while challenging them on their presuppositions about the world, the Bible, and God. To Christians, he provides a solid and deep defense of the claims of their faith that will surely help any believer. Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear.
