Godly Character Versus Traditional Grace:

Living to the Praise of God's Glory Mark A. Simon, 2021-05-24 The letter to the Ephesians is missional to its core It effectively exhorts its readers to understand support and participate in God's mission to rescue humanity and all creation from the damage and distortion of sin and so bring about a renewed creation filled with God's glorious fullness Working at the creative intersection of biblical studies and missiology this study adopts a missional hermeneutic to overcome the scholarly neglect of mission in Ephesians The book systematically explores each passage in Ephesians delving into the characterization of God and his mission allusions to Old Testament missional texts in Ephesians and the portrayal of the apostle Paul and believers as participants in God's mission A multi faceted vision of mission emerges which encompasses God's actions in salvation history the church as mediator of God's glory reconciliation and grace to the nations prayer ethical witness and verbal proclamation of the gospel Reading Ephesians through this missional lens yields fresh insights into its purpose and context and the richness of its portrait of mission

The Westminster Handbook to Reformed Theology Donald K. McKim, 2001-01-01 Compact yet comprehensive entries on theological terms as understood from a Reformed perspective are contained in this book With pieces written by esteemed Reformed scholars this book gives easy access to a wealth of theological information and summarizes the most significant aspects of Reformed theology

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

Holding Up Half the Sky Graham Joseph Hill, 2020-04-30 Women have played significant roles in ministry and leadership throughout the history of the church and the pages of the Bible Today women make up more than half the church and do much of the mission ministry and discipleship in the life of the church But women have often been held back from ministry roles Graham Joseph Hill outlines the biblical vision for women in ministry and leadership He offers a biblical and passionate call for women to be released to teach to lead to preach to serve to pastor and to minister in every area of the church The Bible paints a radical vision of women empowered and emboldened for full ministry participation in Christ's church The biblical vision for women and for their role as teachers witnesses disciplers and leaders transforms not only personal lives but also the church and the world This book offers a biblical case for women teaching and leading in the church Hill then explores practical ways that we can empower and release more female leaders in the church and ways that we can amplify the voices and honor the gifts of women in the

way Jesus intended Together women and men can revitalize the church and renew the world *A Theodicy for a Suffering World with a Hidden God* Philip Pegan,2024-01-26 If God exists why is there so much pain and suffering and why isn t his existence more obvious In *A Theodicy for a Suffering World with a Hidden God* Philip Pegan develops a theodicy in answer to these questions This theodicy is consistent with theological determinism the belief that everything that happens is determined by the will of God and with the possibility that human beings are entirely physical in nature It affirms all creatures capable of suffering will eventually enjoy a life of eternal happiness demonstrating the plausibility of the notion that if God allows suffering in a creature there is an outweighing good He can bring about in the creature s life only if He allows for such suffering Pegan s theodicy is compatible with the claim that the world is unsurpassably good It assumes value realism but could be revised without fundamentally altering the framework or main substance of the theodicy while assuming value antirealism *How Right Worship Changes Us* Timothy Milner,2016-03-09 A practical book on how to worship God Biblically and authentically This book is aimed at worship leaders and pastors challenging them on issues of the true gospel and how we short circuit worship when we preach a cheap gospel For worship to be true lasting and authentic it must be based on heart authenticity AND solid theology If it is not our worship will fall apart during times of duress in our lives when we don t feel God like we used to Many churches today have taken the bait of trying to make worship cool to supposedly reach seekers The problem with this is that in doing this we maim the true worshippers who actually want to experience the power and presence of the Spirit of Jesus **History of Dogma** Adolf von Harnack,1897 **Jesus, Son of God, Son of Mary, Immanuel** Donald J. Goergen,2003-09-04 *Beloved Dust* Robert Hughes,2008-08-15 *Beloved Dust* takes a realistic and contemporary view of human being as entirely physical dust and then shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory **Christian Ethics Introduced** Hans O. Tiefel,2024-03-11 *Christian Ethics Introduced* asks why humans count as ends in themselves The biblical answer was is that humans have standing inherent worth as creatures in the image of God This traditional answer yielded to seventeenth and eighteenth century enlightenment secularism To these secularists human reason promised to be a surer and more peaceable foundation for a just culture than religion Human rationality the light of human reason would enlighten and improve the human condition Two world wars and more realistic trends in new social sciences created not just awareness of human irrationality but fostered skepticism of sound foundations for morality and justice It seemed that both traditional religion and enlightened reason fell short of what had been hoped And the cause of failure may not lie in traditional religion or in human irrationality Rather the problem might lie in human conduct Specifically it may lie in the human inclination to favor self over others of the me outranking the we Christian responses to the human failure to live a moral and just life recognize the persistence of immoral conduct acknowledge it in regard to oneself ask for forgiveness and make amends and peace with God and with those wronged
