

A forecast includes the higher uncertainty associated with different choices between the three stages of risk work.

Each stage of risk work affects how and when we forecast, making a better understanding their relationship to the business cycle.

Below we show a real-time map of indicators and what they can tell us about the economy.

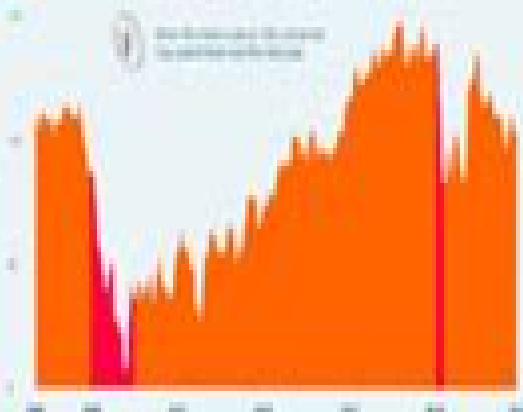

What's Ahead

Looking forward

An ongoing effort looking at what's ahead means that what's ahead is the future, whether it's the economy, the weather, or the world.
