Truths versus Shadows, or the Real and the False F. R. Waring,1871 *Human Anguish and God's Power* David H. Kelsey,2020-12-17 Persons anguished by another s profound suffering are often outraged by well intentioned efforts to console them which suggest that God sent that horrific suffering to their loved one for a purpose according to a tailor made plan for just that person However the outraged reaction simply deepens the anguish This book argues that such consolation is theologically problematic because it assumes that unrestricted power is what makes God God Against that it outlines an account of who and what the Triune God is framed in terms of God s intrinsic glory the attractive and perfectly self expressive self giving in love that is God s life and sets limits to the range of things we can say God does Correlatively it offers an account of different senses in which God is sovereign and powerful one which reflects three ways God relates to all else to create to bless eschatologically and to reconcile as is scripturally narrated
