Primary Health Care in Tanzania through a Health Systems Lens Ntuli A. Kapologwe, James Tumaini Kengia, Eric van Praag, Japhet Killewo, Albino Kalolo, 2023-09-08 Robust health care systems are paramount for the health security and prosperity of people and countries as a whole. This book provides for the first time a chronicle of the struggle for and eventual success of universal health coverage UHC in Tanzania. Beginning with an introduction to primary health care in the country from its historical foundations to the major milestones of implementation, this book then considers stewardship of this important aspect of health systems over time. Concluding with a look to the future forecasting the changes and new solutions needed to adapt to a changing world, this book is a valuable reference for policy makers, global health practitioners, health system managers, researchers, students, and all those with an interest in primary health care and reforms both in Tanzania and beyond.

Digital Transformation in Public Sector Human Resource Management Shava, Elvin, Ndebele, Nduduzo, 2024-07-10 The advent of the Fourth Industrial Revolution 4IR has created a pressing need for digital transformation in human resources management HRM in public institutions. Traditional practices must be updated preventing institutions from effectively managing their workforce and meeting stakeholder demands. The lack of digitalization leads to inefficiencies, ineffective performance evaluation, and an inability to adapt to the rapidly evolving technological landscape. This gap between existing HR practices and the demands of the digital age poses a significant challenge for public sector organizations. Digital Transformation in Public Sector Human Resource Management offers a comprehensive solution to the challenges faced by public institutions. The book provides practical insights and strategies for aligning HR practices with the modern technological landscape by exploring how digital transformation can revolutionize HRM processes. It demonstrates the benefits of adopting digital technologies and innovative strategies in public sector HRM through real-world examples and case studies. The book guides public sector professionals, policymakers, and academics, helping them navigate the complexities of digital transformation in HRM.
